SPECIFIC INFORMATION FOR MATCH TRAFFIC ON

SUN 23/07/17 - WATERFORD V WEXFORD

As supporters from both countries are essentially travelling from the same geographical location, it would assist the flow of Traffic if motorists travelling from the Northern parts of Waterford/Wexford would use the **M8** (Cork -Dublin Road).

Traffic on the **N25** (Cork –Waterford) will be very heavy & delays can be expected.

Match Traffic should then travel via the **Jack Lynch Tunnel** & take **JUNCTION 10** (Mahon) exit.
