Mr Stephen McDermott

Re: Freedom of Information Request FOI-000034-2017 Request Granted

Dear Mr. McDermott,

I refer to your request, dated and received on 1st February 2017 which you have made under the Freedom of Information Act 2014 (FOI Act) for records held by An Garda Síochána.

Part 1(n) of Schedule 1 of the FOI Act states that An Garda Síochána is listed as a partially included agency "insofar as it relates to administrative records relating to human resources, or finance or procurement matters". Therefore, only administrative records that relate to human resources, finance or procurement shall be considered.

Your request is show below:-

'I would like to make another request for information under the Freedom of Information Act 2014.

I would like to request the release of a list of agencies/companies that An Garda Siochana have charged for policing their events in 2016, where the amount exceeded $\in 10,000$, and a breakdown of the cost per agency/company.'

I have now made a final decision to grant your request on 27th February 2017.

The purpose of this letter is to explain my decision.

1. Findings, particulars and reasons for decisions

Under Section 30 of The Garda Síochána Act 2005, An Garda Síochána may provide and charge for police services for events on private property or in areas open to the public, if;

(a) it is in the public interest and consistent with the functions of An Garda Síochána to provide the services, and

Seirbhísí gairmiúla póilíneachta agus slándála a sholáthar le hiontaoibh, muinín agus tacaíocht na ndaoine ar a bhfreastalaímid

To deliver professional policing and security services with the trust, confidence and support of the people we serve

(b) the Commissioner is satisfied that the person has paid or will pay to the Commissioner the charges for the services.

Non-public duty is performed by members of An Garda Síochána under arrangements made with organisers of events such as football matches, concerts, race meetings, abnormal load transportation etc. who seek to engage the services of members of An Garda Síochána to perform duties to which they would not normally be assigned.

Members of An Garda Siochána have been made available for the performance of such duties and the State has charged for their services. This duty is normally performed by members who would otherwise be off duty. It is generally the practice to charge organisations for the costs of duties performed by Garda members inside the event.

In general, the cost of policing duties performed by Gardaí outside the event such as traffic control, beat patrols and other public policing duties which would be additional to those normally performed at the location, are not paid for by the organisation hosting the event but fall to be paid from the Garda Vote.

Garda members working on both public and non public duties are aware that it is the policy of An Garda Síochána that the safety of the public must be the ultimate consideration.

The record obtained from the Financial Management Services (Appendix A) identifies the various organisations and the amounts that have been charged by An Garda Síochána for policing services at specific events. As per your request, the list refers to the provision of policing services at events in 2016 where the amount exceeded €10,000.
