WHAT'S HAPPENING

What's Happening

- ⚡ On Monday 18th November the Lansdowne Road DART/Train Station will be closed between 5.30pm and 11pm
- ⚡ This is a trial exercise to assess mobility, safety, security and stadium access prior to the four UEFA EURO 2020 games next June
- ⚡ DART services will continue as scheduled
- ⚡ Match-goers and regular passengers will be required to disembark at either Grand Canal Dock DART Station or Sandymount DART Station during the closure

THE RATIONALE

The Rationale

- ⚡ UEFA has made a recommendation to increase the size of the perimeter area in order to ensure there is no congestion in all areas around the Aviva Stadium
- ⚡ The change in the access systems allows the Match Operations team to avoid ticketless supporters accessing the inner perimeter of the stadium
- ⚡ This will create a safe environment and queuing system at the turnstiles

OUR ADVICE TO PASSENGERS

Our Advice to Passengers

- ✦ Match-goers should use the official spectator maps to select the most appropriate route to take
- ✦ Spectators are encouraged to arrive at the stadium early as turnstiles open at 18:15
- ✦ On match day follow the advice from Gardaí, stewards and volunteers
