

JOB TITLE: Facilities Manager - Cork

JOB DESCRIPTION: An Garda Síochána seeks to employ a Facilities Manager to ensure the effective functioning of the Divisional Headquarters, Cork City. The Facilities Manager responsibility is to ensure that the buildings and equipment are maintained in prime working order in accordance with the requirements and obligations under Health and Safety legislation. Facilities management, involves the management of building systems and services to meet the needs of Garda personnel and other persons who avail of the services of An Garda Síochána. The post will be based in the building itself and will be part of the Divisional Administration and Support Services hub of the Divisional Model.

The competition information booklet is available. This booklet should be read carefully before applying. An Garda Síochána is committed to a policy of equal opportunity.
