DMR (SOUTH) DIVISIONAL POLICING PLAN 2008

Foreword:-

This document outlines the aspirations of the Policing Plan 2008 for the D.M.R. South Division which incorporates Crumlin, Sundrive Road, Terenure, Rathmines, Tallaght and Rathfarnham sub districts.

The Policing Plan is aligned to the Garda Síochána Corporate Strategy 2007-2009, the National Policing Plan of An Garda Síochána for 2008 and also the D.M.R. Policing Plan for 2008.

This Divisional Policing Plan targets issues most deserving of focused Garda attention in the D.M.R. South Division. It is aimed towards maintaining security, crime prevention and reduction, improving road safety and maintaining public order.

I remain committed towards delivering a professional policing service based on engagement with the communities, democratically elected representatives and the business sectors.

I believe that this Policing Plan will provide members of An Garda Síochána working in the Division with a framework towards achieving the objectives outlined above and go a long way towards making our communities and roads safer for everybody.

The Policing Plan will be reviewed periodically throughout 2008. If necessary, adjustments will be made if circumstances dictate with a view to ensuring that the goals outlined throughout the Policing Plan are achieved.

I would welcome comments and suggestions from interested parties in this regard.

(John Manley)
Chief Superintendent

February, 2008.
