Section 6

Application and Selection Process

How to Apply

Application forms are available to complete at <https://staffline.getgotjobs.ie/home>

All sections of the application form must be fully completed and submitted no later than the closing time and date.

Closing Date

The closing date for receipt of applications is: **3:00 PM, Tuesday 23rd June 2026.**

Applications will not be accepted after the closing time and date.

It is suggested that you apply well in advance of the closing date in case you experience any difficulties.

The admission of a person to the competition, or invitation to undertake any element of the selection process, or a successful result letter, is not to be taken as applying that An Garda Síochána/Staffline Recruitment Ireland is satisfied that such a person fulfils the essential requirements.

Accessibility, Disability and Reasonable Accommodation for the Selection Process

We are committed to promoting equality of opportunity and to ensuring that our recruitment processes are accessible and inclusive for all candidates.

If you have a disability or if you think you may require a reasonable accommodation at any stage of the selection process, we strongly encourage you to make this known at the earliest opportunity so we can ensure you get the support you need. Such accommodations may include adjustments to the format or delivery of assessments, additional time, or other tailored supports.

All requests for reasonable accommodations will be considered on a case-by-case basis, having regard to the individual circumstances, in line with best practice and current legislation. Having a disability or requiring adjustments will not impact your progress in the selection process, and you will not be disadvantaged by disclosing your disability or requirements. All information provided in this context will be treated as strictly confidential.

Candidates who wish to discuss or request a reasonable accommodation should:

- Contact the recruitment team at ags@stafflinerecruit.com as early as possible.

Section 6

Application and Selection Process

Candidates should provide sufficient detail regarding the nature of the accommodation required to assist in making appropriate arrangements. Where necessary, we may seek supporting medical or professional documentation to facilitate the assessment of the request.

We are committed to engaging with candidates to ensure, insofar as practicable, that appropriate supports are put in place to enable equitable participation in the recruitment process for all candidates.

Selection Process

The selection process will be conducted in accordance with The Code of Practice for Appointments to positions in the Civil Service and Public Service issued by the Commission for Public Service Appointments and may include some, or all of the following:

- Online and/or paper-based assessments.
- Short listing on submitted Application Forms.
- Video Interview.
- Preliminary Interview.
- Presentation.
- Final competency based, competitive interview.
- Work sample test or any other tests or exercises that may be deemed appropriate.

Applicants must successfully apply and be placed highest, in order to be considered for advancement to the next stage of the selection process.

Failure by a candidate to access or read a message sent to their e-mail address does not constitute a basis to seek to postpone or reschedule a component of the selection process, to seek a review of a decision or action in relation to your application, or otherwise be considered in the context of this competition.

Non-Refund of expenses

Candidates should note that the provisions of Circular 6/89, Removal Expenses, will not apply to any offers of appointments arising from this competition. Additionally, any expenses incurred by candidates whilst undertaking or attending any elements of the selection process will not be refunded.

Section 6

Application and Selection Process

Communication

Candidates should note that all communications relating to this competition, including the provision of results, will issue by way of email only. Candidates should ensure that a valid email address and contact details are provided on the application form and should check that email address on a regular basis.

Shortlisting

The number of applications received for a position generally exceeds that required to fill existing and future vacancies for the position. While a candidate may meet the eligibility requirements of the competition, if the numbers applying for the position are such that it would not be practical to interview everyone, An Garda Síochána/Staffline Recruitment Ireland may decide that a smaller number will be called to the next stage of the selection process.

In this respect, An Garda Síochána/Staffline Recruitment Ireland provide for the employment of a shortlisting process to select a group who appear to be the most suitable for the position. This is not to suggest that other candidates are necessarily unsuitable or incapable of undertaking the job, rather that there are some candidates who, appear to be better qualified and/or have more relevant experience.

The shortlisting criteria may include both the essential and desirable criteria specified for the position. It is, therefore, in your own interest to provide a detailed and accurate account of your qualifications/experience in your application.

Reschedule Requests

Reschedule requests will only be considered under exceptional circumstances as deemed acceptable by An Garda Síochána/Staffline Recruitment Ireland (e.g. Bereavement/Illness). Please note that An Garda Síochána/Staffline Recruitment Ireland may request supporting documentation as evidence.

Vetting & Security Clearance

You will be required to complete a stringent An Garda Síochána vetting process should you come under consideration for appointment. It is a very in-depth process and can take on average 8-12 weeks to complete. You cannot be appointed without clearing this vetting process.

Section 7

Important Candidate Information

General Information

An Garda Síochána/Staffline Recruitment Ireland will not be responsible for refunding any expenses incurred by candidates. Posts will be offered in sequence to those candidates who finish highest in the overall order of merit drawn up following the interviews, i.e. the highest ranking candidates will, in turn, be offered a post. The admission of a person to a competition, or invitation to attend interview, or a successful result letter, is not to be taken as implying that An Garda Síochána is satisfied that such a person fulfils the requirements.

Prior to recommending any candidate for appointment to this position An Garda Síochána/Staffline Recruitment Ireland will make all such enquiries that are deemed necessary e.g. health, character, employer references, security checks including vetting, or any other enquiries as are deemed necessary to determine the suitability of that candidate. Until all stages of the recruitment process have been fully completed, a final determination cannot be made nor can it be deemed or inferred that such a determination has been made.

Specific candidate criteria

In addition to fulfilling the eligibility criteria set out, candidates must:

- Have the knowledge and ability to discharge the duties of the post concerned;
- Be suitable on the grounds of health and character;
- Be suitable in all other relevant respects for appointment to the post concerned.

If successful, they will not be appointed to the post unless they:

- Agree to undertake the duties attached to the post and accept the conditions under which the duties are, or may be required to be, performed;
- Are fully competent and available to undertake, and fully capable of undertaking, the duties attached to the position.

Appointments from panels

A panel will be established from which an appointment will be made and from which future vacancies may be filled. Qualification and placement on a panel is not a guarantee of appointment to a position.

Please note that once an offer of appointment has been accepted, a candidate will be removed from the panel and no further offers of appointment will be made.

The panel will expire two years from its establishment, unless otherwise extended, or when it has been exhausted, whichever is sooner. Candidates not appointed at the expiry of the panel will have no claim to appointment thereafter because of having been on the panel.

Section 7

Important Candidate Information

References

Should you come under consideration for a position, 2 references will be sought. We will require a reference from your current employer and ideally another previous employer. A statement of employment is not sufficient and will not be accepted as an employer reference. Your current employer will only be contacted with your consent. The references should provide relatively recent information on your performance and behaviour in a work context.

Deeming of candidature to be withdrawn

Candidates who do not attend for interview when and where required or who do not, when requested, furnish such evidence as required in regard to any matter relevant to their candidature, will have no further claim to consideration.

Declining an offer of appointment

Should the person recommended for appointment decline, or having accepted it, relinquish it, An Garda Síochána HR/Staffline Recruitment Ireland may at its discretion, offer the position to the next candidate on the panel.

Confidentiality

Candidates can expect that all enquiries, applications and all aspects of the proceedings are treated as strictly confidential subject to the provisions of the Freedom of Information Act 2014.

Certain items of information, not specific to any individual, are extracted from computer records for general statistical purposes.

Use of Recording Equipment

An Garda Síochána does not allow the unsanctioned use of any type of recording equipment. This applies to any form of sound recording and any type of still picture or video recording, whether including sound recording or not, and covers any type of device used for these purposes. Any person wishing to use such equipment for any of these purposes must seek written permission in advance. This policy is in place to protect the privacy of staff and customers and the integrity of our assessment material and assessment processes. Unsanctioned use of recording equipment by any person is a breach of this policy. Any candidate involved in such a breach could be disqualified from the competition and could be subject to prosecution under section 55 of the Public Service Management (Recruitment & Appointments) Act, 2004.

Section 7

Important Candidate Information

Code of Practice

The Commission for Public Service Appointments (CPSA) Code of Practice Appointment to Positions in the Civil Service and Public Service applies to this competition and is available to view at www.cpsa.ie. The CPSA Code of Practice outlines the procedures whereby a candidate may seek a review regarding a decision taken in relation to their application or in relation to allegations of a breach of the Code of Practice.

Requests for a review should be submitted in writing to Strategic.Recruitment@garda.ie clearly setting out the grounds for review and specifying the relevant section of the Code.

Please note that the role of the formal reviewer is not to reassess or remark the candidate, but rather to establish, on foot of the available information, whether they consider:

- The procedures set out for the selection process were followed correctly;
- The original decision was made on the basis of correct and full information;
- The original decision was made appropriately.

A candidate who is simply seeking clarification on the basis for the decision reached about their candidature should obtain this feedback from the office holder in charge of the recruitment process.

They do not need to invoke any of the procedures referred to above.

In accordance with the principles of the above Code of Practice, An Garda Síochána and Staffline Recruitment Ireland are committed to providing clear, specific and meaningful feedback to candidates. In this regard, written feedback will be provided to candidates. This will consist of the candidate's marks from the competition and comments from the interview board on the candidate's performance, as appropriate.

Contravention of the Code of Practice

Any person who contravenes the above provisions or who assists another person in contravening the above provisions is guilty of an offence. A person who is found guilty of an offence is liable to a fine/or imprisonment.

In addition, if a person found guilty of an offence was, or is a candidate at a recruitment process, they will be disqualified as a candidate and excluded from the process. Where a candidate has been appointed to a post following the recruitment process, they will be removed from that post.

Section 7

Important Candidate Information

Requests for Feedback

Feedback in relation to the selection process is available on written request. There are no specific timeframes set for the provision of feedback. Please note that the Review Process as set out in the Code of Practice is a separate process with specified timeframes that must be observed. It is not necessary for a candidate to compile a detailed case prior to invoking the appeals mechanism. The timeframe set out in the CPSA Code cannot be extended for any reason including the provision of feedback.

General Data Protection Regulation (GDPR) and Data Protection Act 2018

Personal data provided by candidates shall only be processed for the purposes specified in this document, and within a clearly defined lawful basis under the (EU) General Data Protection Regulation (GDPR) ((EU)2016/679) and the Data Protection Acts 1988/2018.

All necessary measures will be put in place to ensure personal data is kept safe and secure, and only relevant personal data will be processed. Personal data will be retained for no longer than is necessary to achieve the purpose for which it has been obtained.

Canvassing

Candidates should note that it is prohibited to do the following, directly or indirectly:

- Canvass in relation to the process.
- Impersonate a candidate at any stage of the process.
- Influence a decision of any person in relation to the process; or
- Interfere with or compromise the process in any way.
