Important Candidate Information

Code of Practice

The Commission for Public Service Appointments (CPSA) Code of Practice Appointment to Positions in the Civil Service and Public Service applies to this competition and is available to view at www.cpsa.ie. The CPSA Code of Practice outlines the procedures whereby a candidate may seek a review regarding a decision taken in relation to their application or in relation to allegations of a breach of the Code of Practice.

Requests for a review should be submitted in writing to Strategic.Recruitment@garda.ie clearly setting out the grounds for review and specifying the relevant section of the Code.

Please note that the role of the formal reviewer is not to reassess or remark the candidate, but rather to establish, on foot of the available information, whether they consider:

- The procedures set out for the selection process were followed correctly;
- The original decision was made on the basis of correct and full information;
- The original decision was made appropriately.

A candidate who is simply seeking clarification on the basis for the decision reached about their candidature should obtain this feedback from the office holder in charge of the recruitment process.

They do not need to invoke any of the procedures referred to above.

In accordance with the principles of the above Code of Practice, An Garda Síochána and Staffline Recruitment Ireland are committed to providing clear, specific and meaningful feedback to candidates. In this regard, written feedback will be provided to candidates. This will consist of the candidate's marks from the competition and comments from the interview board on the candidate's performance, as appropriate.

Contravention of the Code of Practice

Any person who contravenes the above provisions or who assists another person in contravening the above provisions is guilty of an offence. A person who is found guilty of an offence is liable to a fine/or imprisonment.

In addition, if a person found guilty of an offence was, or is a candidate at a recruitment process, they will be disqualified as a candidate and excluded from the process. Where a candidate has been appointed to a post following the recruitment process, they will be removed from that post.

Requests for Feedback

Feedback in relation to the selection process is available on written request. There are no specific timeframes set for the provision of feedback. Please note that the Review Process as set out in the Code of Practice is a separate process with specified timeframes that must be observed. It is not necessary for a candidate to compile a detailed case prior to invoking the appeals mechanism. The timeframe set out in the CPSA Code cannot be extended for any reason including the provision of feedback.

General Data Protection Regulation (GDPR) and Data Protection Act 2018

Personal data provided by candidates shall only be processed for the purposes specified in this document, and within a clearly defined lawful basis under the (EU) General Data Protection Regulation (GDPR) ((EU)2016/679) and the Data Protection Acts 1988/2018.

All necessary measures will be put in place to ensure personal data is kept safe and secure, and only relevant personal data will be processed. Personal data will be retained for no longer than is necessary to achieve the purpose for which it has been obtained.
