

GARDA DIVERSITY OFFICERS (GDOs)

August 2026

There are currently **696** Garda Diversity Officers (GDOs) throughout every Garda division in the country.

GDOs are trained, developed and supported to actively engage with and attend to the concerns of minority, diverse and under-represented communities; providing reassurance, building trust, extending the accessibility of the Garda Service and working in collaboration with local Garda Victim Service Offices to prioritise victim needs.
