Re: Freedom of Information Request FOI-000259-2017 Request Refusal

Dear

I refer to your request, dated and received on 06th June, 2017 which you have made under the Freedom of Information Act (FOI) 2014 for records held by An Garda Síochána.

Part 1(n) of Schedule 1 of the FOI Act states that An Garda Síochána is listed as a partially included agency *"insofar as it relates to administrative records relating to human resources, or finance or procurement matters"*. Therefore, only administrative records that relate to human resources, finance or procurement shall be considered.

Your request sought:

- According to multiple sources (i.e. The Soufan Group; Market Watch) 30+ Irish nationals have gone to fight in ISIS territory (as of Nov. 2015). Could you please tell me the current total of Irish nationals believed to have left to fight in ISIS territory as of today's date?
- How many people in Ireland (citizens or otherwise) have been arrested under the Criminal (Terrorist Offences) (Amendment) Act of 2014, specifically in relation to suspicion of Islamic radicalisation and/or terrorism?
- How many people are currently being monitored for suspicion of Islamic radicalisation and/or terrorism as of today's date?

- Of the aforementioned people (from points 1-3), could you please provide me with information regarding their gender, age, income bracket, immigration status, and whether they were born in the Republic of Ireland or abroad.

I wish to inform you that I have decided to refuse your request on the 13th June, 2017.

The purpose of this letter is to explain my decision.

1. Findings, particulars and reasons for decision.

I advise that An Garda Síochána became subject to Freedom of Information under the FOI Act, 2014. Under Part 1 of Schedule 1 of the FOI Act a number of agencies were defined as “*partially included*” and An Garda Síochána is listed as one of them at Part 1(n).

The FOI Act specifically states that An Garda Síochána is subject to the Act in relation to “*administrative records relating to human resources, finance or procurement matters*” only.

The term “administrative records” is understood to mean records relating to the processes of running and managing a business or organisation. As a result the FOI Act excludes operational policing business as opposed to the defined administrative processes of An Garda Síochána.

The records you are requesting relate to operational policing matters and do not meet the criteria of administrative records as defined in the Act. Therefore your request must be refused.

2. Right of Appeal

In the event that you are not happy with this decision you may seek an Internal Review of the matter by writing to the address below and quoting reference number **F01-000259-2017**.
