Mr. Brendan Byrne

Re: Freedom of Information Request FOI-000323-2017 Request Refusal

Dear Mr. Byrne,

I refer to your request, dated and received on 19th July, 2017 which you have made under the Freedom of Information Act (FOI) 2014 for records held by An Garda Síochána.

Part 1(n) of Schedule 1 of the FOI Act states that An Garda Síochána is listed as a partially included agency "*insofar as it relates to administrative records relating to human resources, or finance or procurement matters*". Therefore, only administrative records that relate to human resources, finance or procurement shall be considered.

Your request sought:

To provide information on policy and internal working practices on the classification of crimes. For example when an initial crime is recorded on Pulse and if the crime is re-classified what internal policy covers this process.

To outline the system and processes that monitors and records the changing or reclassification of crimes and the level of authorisation needed.

Specifically to provide statistics, in respect of the Waterford Division in the years of 2014-2016 all quarters.

What number of specific crimes, namely burglary and or attempted burglary and robbery/theft from person, where reported as such but re-classified to, in the case of Burglary to Criminal Damage and in the case of robbery from person to theft only.

So for example an initial investigation is reported and recorded as a burglary or attempted burglary, only subsequently to be reclassified or re-recorded to criminal damage, to provide statistics in these instances

I wish to inform you that I have decided to refuse your request on the 20th July, 2017.

The purpose of this letter is to explain my decision.

1. Findings, particulars and reasons for decision.

I advise that An Garda Síochána became subject to Freedom of Information under the FOI Act, 2014. Under Part 1 of Schedule 1 of the FOI Act a number of agencies were defined as “*partially included*” and An Garda Síochána is listed as one of them at Part 1(n).

The FOI Act specifically states that An Garda Síochána is subject to the Act in relation to “*administrative records relating to human resources, finance or procurement matters*” only.

The term “administrative records” is understood to mean records relating to the processes of running and managing a business or organisation. As a result the FOI Act excludes operational policing business as opposed to the defined administrative processes of An Garda Síochána.

The records you are requesting relate to operational policing matters and do not meet the criteria of administrative records as defined in the Act. Therefore your request must be refused.

2. Right of Appeal

In the event that you are not happy with this decision you may seek an Internal Review of the matter by writing to the address below and quoting reference number **F01-000323-2017**.
