## Re: Freedom of Information Request FOI-000384-2017 Request Refused

*Dear*

I refer to your request, dated and received on 5<sup>th</sup> September, 2017 which you have made under the Freedom of Information Act 2014 (FOI Act) for records held by An Garda Síochána.

Part 1(n) of Schedule 1 of the FOI Act states that An Garda Síochána is listed as a partially included agency “*insofar as it relates to administrative records relating to human resources, or finance or procurement matters*”. Therefore, only administrative records that relate to human resources, finance or procurement shall be considered.

Your request sought:

- *Could you provide any data held on the number of people detained at Garda Immigration Unit checkpoints after crossing the land border with Northern Ireland in each of the last five years? If the last five years exceeds the appropriate cost limit, just the most recent year available is fine.*
- *In addition, or instead if the above information is not available, could you provide any data held on the number of Garda Immigration Unit checkpoints targeting the land border with Northern Ireland in each of the last five years? If the last five years exceeds the appropriate cost limit, just the most recent year available is fine.*
- *In addition, or instead if the above information is not available, could you provide any documents relevant to the decision to set up Garda Immigration Unit checkpoints targeting the land border?*

I wish to inform you that I have decided to refuse your request on the 5<sup>th</sup> September, 2017.

The purpose of this letter is to explain my decision.

## **1. Findings, particulars and reasons for decision.**

Section 6(2)(a) of the FOI Act provides that an entity specified in Schedule 1, Part 1 of the Act shall, subject to the provisions of that Part, be a Public body for the purposes of the Act. Schedule 1, Part 1 contains details of bodies that are partially included for the purposes of the Act and also details of the certain specified records that are excluded. If the records sought come within the description of the exclusions of Part 1, then the Act does not apply and no right of access exists.

Part 1(n) of Schedule 1 of the FOI Act provides that An Garda Síochána is not a public body for the purposes of the FOI Act other than in relation to administrative records relating to human resources, or finance or procurement matters.

The term “administrative records” is understood to mean records relating to the processes of running and managing a business or organization. As a result the FOI Act excludes operational policing business as opposed to the defined administrative processes of An Garda Síochána.

I am therefore refusing your request as it falls outside the scope of the FOI Act insofar as the records do not meet the criteria of administrative records as defined in the Act.

However, I have forwarded a copy of your correspondence to the Office of Corporate Communications who may be in a position to assist you. The office can be contacted by email at [pressoffice@garda.ie](mailto:pressoffice@garda.ie) or by telephone at (01) 6662032/34/35
