Re: Freedom of Information Request FOI-000396-2017 Request Refused

Dear

I refer to your request, dated and received on 12th September, 2017 which you have made under the Freedom of Information Act 2014 (FOI Act) for records held by An Garda Síochána.

Part 1(n) of Schedule 1 of the FOI Act states that An Garda Síochána is listed as a partially included agency “*insofar as it relates to administrative records relating to human resources, or finance or procurement matters*”. Therefore, only administrative records that relate to human resources, finance or procurement shall be considered.

Your request sought:

I request that a copy of the following documents [or documents containing the following information] be provided to me: all records relating to the number of 999 calls made in the areas covered by the Roxboro Road Garda Station, Henry Street Garda Station, and Castleconnell Garda Station in Limerick that were not followed up on by Gardai (i.e. Gardai didn't physically call to the address to discuss or look into the matter the call was made about); the areas in which these calls were made from (not specific addresses, only areas, e.g. Castletroy, Moyross); the issues or reasons that these calls were regarding to as explained by the person who made the call to the Gardai; and lastly the reason why these calls were not responded to by visitation of the Gardai to the address if such a record is kept. I am requesting this information for the months of June, July, and August of 2017 and in the form of word document or PDF.

I wish to inform you that I have decided to refuse your request on the 19th September, 2017.

1

The purpose of this letter is to explain my decision.

1. Findings, particulars and reasons for decision

Section 6(2)(a) of the FOI Act provides that an entity specified in Schedule 1, Part 1 of the Act shall, subject to the provisions of that Part, be a Public body for the purposes of the Act. Schedule 1, Part 1 contains details of bodies that are partially included for the purposes of the Act and also details of the certain specified records that are excluded. If the records sought come within the description of the exclusions of Part 1, then the Act does not apply and no right of access exists.

Part 1(n) of Schedule 1 of the FOI Act provides that An Garda Síochána is not a public body for the purposes of the FOI Act other than in relation to administrative records relating to human resources, or finance or procurement matters.

The term “administrative records” is understood to mean records relating to the processes of running and managing a business or organisation. As a result the FOI Act excludes operational policing business as opposed to the defined administrative processes of An Garda Síochána.

The records that you sought pertain to operational policing matters by An Garda Síochána, as opposed to administrative matters relating to human resources, or finance or procurement.

I am therefore refusing your request as it falls outside the scope of the FOI Act insofar as the records do not meet the criteria of administrative records as defined in the Act.
