Re: Freedom of Information Request FOI-000449-2017 Request Refused

Dear

I refer to your request, dated 5th October, 2017 and received on 13th October, 2017 which you have made under the Freedom of Information Act 2014 (FOI Act) for records held by An Garda Síochána.

Part 1(n) of Schedule 1 of the FOI Act states that An Garda Síochána is listed as a partially included agency “*insofar as it relates to administrative records relating to human resources, or finance or procurement matters*”. Therefore, only administrative records that relate to human resources, finance or procurement shall be considered.

Your request sought:

- 1. Of the years 2006 to 2010 inclusive, how many children were removed from parents or others acting in loco parentis care, while in in-patient hospital care nationwide by way of a Garda invoking Section 12 of the Childcare Act 1991?*
- 2. On what grounds were such children removed?*
- 3. When the relevant Garda' were removing the child or children, in how many cases did the respective Health Board already have a Section 13 of the Act Court Order in situ that same day ready for invocation?*

I wish to inform you that I have decided to refuse your request on the 17th October, 2017.

The purpose of this letter is to explain my decision.

1. Findings, particulars and reasons for decision

Section 6(2)(a) of the FOI Act provides that an entity specified in Schedule 1, Part 1 of the Act shall, subject to the provisions of that Part, be a Public body for the purposes of the FOI Act. Schedule 1, Part 1 contains details of bodies that are partially included for the purposes of the FOI Act and also details of the certain specified records that are excluded. If the records sought come within the description of the exclusions of Part 1, then the FOI Act does not apply and no right of access exists.

Part 1(n) of Schedule 1 of the FOI Act provides that An Garda Síochána is not a public body for the purposes of the FOI Act other than in relation to administrative records relating to human resources, or finance or procurement matters.

The term “administrative records” is understood to mean records relating to the processes of running and managing a business or organisation. As a result the FOI Act excludes operational policing business as opposed to the defined administrative processes of An Garda Síochána.

I am therefore refusing your request as it falls outside the scope of the FOI Act insofar as the records do not meet the criteria of administrative records as defined in the FOI Act.

However, in respect of your request you may wish to contact the Freedom of Information Officer in the HSE who may be in a position to assist you. They can be contacted in writing at the following address, HSE National Lead FOI and DP Records Management, Scott Building, Midland Regional Hospital Campus, Arden Road, Tullamore, Co. Offaly or by email at emma.kelly@hse.ie or by telephone on 057 9357610.
