Re: Freedom of Information Request FOI-000481-2017 Request Refused

Dear

I refer to your request, dated and received on 25th October, 2017 which you have made under the Freedom of Information Act 2014 (FOI Act) for records held by An Garda Síochána.

Part 1(n) of Schedule 1 of the FOI Act states that An Garda Síochána is listed as a partially included agency “*insofar as it relates to administrative records relating to human resources, or finance or procurement matters*”. Therefore, only administrative records that relate to human resources, finance or procurement shall be considered.

Your request sought:

I am requesting the number of referrals made to Gardai by the Road Safety Authority since 2011, regarding drivers providing fraudulent information to the authority on their drivers licence applications.

If possible, I would like to request a year-by-year breakdown of the figures, as well as a breakdown by licence application type (e.g. Motorbike drivers, truck drivers, learner's permit, etc).

I wish to inform you that I have decided to refuse your request on the 27th October, 2017.

The purpose of this letter is to explain my decision.

1. Findings, particulars and reasons for decision

Section 6(2)(a) of the FOI Act provides that an entity specified in Schedule 1, Part 1 of the Act shall, subject to the provisions of that Part, be a public body for the purposes of the FOI

1

Act. Schedule 1, Part 1 contains details of bodies that are partially included for the purposes of the FOI Act and also details of the certain specified records that are excluded. If the records sought come within the description of the exclusions of Part 1, then the FOI Act does not apply and no right of access exists.

Part 1(n) of Schedule 1 of the FOI Act provides that An Garda Síochána is not a public body for the purposes of the FOI Act other than in relation to administrative records relating to human resources, or finance or procurement matters.

The term “administrative records” is understood to mean records relating to the processes of running and managing a business or organisation. As a result, the FOI Act excludes operational policing business as opposed to the defined administrative processes of An Garda Síochána.

The records that you sought relate to an operational policing matters carried out by An Garda Síochána, as opposed to administrative matters relating to human resources, or finance or procurement.

I am therefore refusing your request as it falls outside the scope of the FOI Act insofar as the records do not meet the criteria of administrative records as defined in the Act.

However, in respect of your request you may wish to submit your request to the FOI Officer at the RSA directly. They can be contacted at the following address; Freedom of Information Officer, Road Safety Authority, Moy Valley Business Park, Primrose Hill, Ballina, Co. Mayo or by email at foi@rsa.ie.
