Re: Freedom of Information Request FOI-000496-2017 Request Refused

Dear

I refer to your request, dated and received on 2nd November, 2017 which you have made under the Freedom of Information Act 2014 (FOI Act) for records held by An Garda Síochána.

Part 1(n) of Schedule 1 of the FOI Act states that An Garda Síochána is listed as a partially included agency “*insofar as it relates to administrative records relating to human resources, or finance or procurement matters*”. Therefore, only administrative records that relate to human resources, finance or procurement shall be considered.

Your request sought:

- *Figures detailing the amounts of money paid across all Garda divisions to members of the public who have been solicited to take part in an activity known variously as ‘line-ups’ or ‘identity parades’ where witnesses to a crime are asked to identify the possible perpetrator from a group of people. Overall figures for payments should be broken down for each year between 1st January 2014 and 1st November 2017 (part thereof).*

I wish to inform you that I have decided to refuse your request on the 2nd November, 2017.

The purpose of this letter is to explain my decision.

1. Findings, particulars and reasons for decision

Section 6(2)(a) of the FOI Act provides that an entity specified in Schedule 1, Part 1 of the Act shall, subject to the provisions of that Part, be a public body for the purposes of the FOI

1

Act. Schedule 1, Part 1 contains details of bodies that are partially included for the purposes of the FOI Act and also details of the certain specified records that are excluded. If the records sought come within the description of the exclusions of Part 1, then the FOI Act does not apply and no right of access exists.

Part 1(n) of Schedule 1 of the FOI Act provides that An Garda Síochána is not a public body for the purposes of the FOI Act other than in relation to administrative records relating to human resources, or finance or procurement matters.

The term “administrative records” is understood to mean records relating to the processes of running and managing a business or organisation. As a result the FOI Act excludes operational policing business as opposed to the defined administrative processes of An Garda Síochána.

I am therefore refusing your request as it falls outside the scope of the FOI Act insofar as the records do not meet the criteria of administrative records as defined in the Act.

2. Right of Appeal

In the event that you are not happy with this decision you may seek an Internal Review of the matter by writing to the address below and quoting reference number **FOI-000496-2017**.
