European Political Community (EPC) Summit:

The European Political Community (EPC) established in 2022 is a meeting of around 50 Heads of State and Government from across Europe. It will convene in Dublin on the 12 November 2026. This will be the largest Heads of State and Government gathering that Ireland has ever hosted. One of the EPC events will be held in the National Gallery of Ireland hence the purpose of this correspondence to local residents and businesses.

Security:

Due to the scale and importance of these events (including the profile of the attendees) significant security measures will be in place at multiple locations in the days leading up the events as well as on the 12th and 13th November.

These measures will have an impact on access and movement around parts of Dublin city. Every effort will be made to minimise disruption to the public and to businesses, while policing these important events safely and successfully.

The reason for your receiving this particular correspondence is because your vehicular access/parking and waste collection services will be impacted by restrictions on the 12th November, namely:

- **No vehicles will be permitted to park on your Street from 7am until 8pm on the 12th November** – alternative arrangements will have to be made during these hours. Any vehicles left on the street will be towed.

- **No Bin Collection Services will be permitted on your street on the 12th November 2026** – all Domestic & Commercial Waste Collectors have been advised accordingly.

- **No vehicular access (including bus services) along your street will be possible between 3pm and 8pm on the 12th November 2026.** It is highlighted there is no Red Line Luas in the area on the date.

We would like to assure you that we are keeping the restrictions to a minimum however nevertheless recognise you will be inconvenienced - Thank you in advance for your understanding.
