Re: Freedom of Information Request FOI-000042-2018 Request Granted

Dear

I refer to your request, dated 24th January 2018 and received on 25th January 2018 which you have made under the Freedom of Information Act 2014 (FOI Act) for records held by An Garda Síochána.

Part 1(n) of Schedule 1 of the FOI Act states that An Garda Síochána is listed as a partially included agency "insofar as it relates to administrative records relating to human resources, or finance or procurement matters". Therefore, only administrative records that relate to human resources, finance or procurement shall be considered.

Your request sought:

A list of organisations where An Garda Siochana were requested to police their events in the years 2017 in the Dublin Region. I'm only looking for the amount received from each organisation were charged a minimum of ϵ 5,000 for policing their event.

I wish to inform you that I have decided to grant your request on the 14th February 2018.

The purpose of this letter is to explain that decision.

1. Findings, particulars and reasons for decision

Details of your request were provided to the Finance Section of An Garda Síochána who have briefed this office and have provided details of organisations who charged a minimum of €5,000 to police events in 2017. Please see attached records at Appendix A.

Under Section 30 of the Garda Síochána Act 2005, An Garda Síochána may provide and charge for police services for events on private property or in areas open to the public if:

- (a) It is in the public interest and consistent with the functions of An Garda Síochána to provide the services, and
- (b) The Commissioner is satisfied that the person has paid or will pay to the Commissioner the charges for the services.

Non-public duty is performed by members of An Garda Síochána under arrangements made with organisers of events such as football matches, concerts and race meetings, etc. who seek to engage the services of members of An Garda Síochána to perform duties to which they would not normally be assigned.

Members of An Garda Síochána have been made available for the performance of such duties and the State has charged for their services. This work is normally performed by members who would otherwise be off duty. It is generally the practice to charge organisations for the costs of duties performed by members inside the event.

In general, the cost of policing duties performed by Gardaí outside the event such as traffic control, beat patrols and other public policing duties which would be additional to those normally performed at the location, are not paid by the organisation hosting the event but fall to be paid from the Garda Vote. However, at some specific larger events An Garda Síochána seeks a contribution from the promoters to overall policing costs. In this regard, I advise that the level of contribution to be made to An Garda Síochána is agreed by the local District Officer with the organisers, taking into account the nature and size of the event.

At all times, it is the policy of An Garda Síochána that the safety of the public must be the ultimate concern.

2. Right of Appeal

In the event that you are not happy with this decision you may seek an Internal Review of the matter by writing to the address below and quoting reference number F0I-000042-2018.
