Re: Freedom of Information Request FOI-000308-2018 Request Granted

Dear

I refer to your request, dated and received on 26th July, 2018 which you have made under the Freedom of Information Act 2014 (FOI Act) for records held by An Garda Síochána.

Part 1(n) of Schedule 1 of the FOI Act states that An Garda Síochána is listed as a partially included agency "*insofar as it relates to administrative records relating to human resources, or finance or procurement matters*". Therefore, only administrative records that relate to human resources, finance or procurement shall be considered.

Your request sought:

Materials providing details on how on all paid fixed charge notices for the the three Cork garda divisions in 2015, 2016 and 2017, by offence group, number and amount.

I wish to inform you that I have decided to grant your request on the 9th August, 2018.

The purpose of this letter is to explain that decision.

1. Findings, particulars and reasons for decision

Upon receipt of your request, a search was conducted in the Finance Directorate of An Garda Síochána. As a result of this search, this Office has been briefed and records have been provided for consideration under the FOI Act.

Upon review of these records, I have decided to grant your request. The number of fixed charge notices paid, broken down by offence group, number and amount received for the Cork City, Cork North and Cork West Garda Divisions are herewith attached at Appendix A-I inclusive.

Please note that the figures extracted return a count of offences that were paid during the given date range for e.g. 01.01.2017 – 31.12.2017; not the number of offences that occurred and these figures are based on the date the payments were processed by An Post. Therefore, some payments may relate to offences that occurred in the latter stages of the previous year.

On 31st October 2002, the Fixed Charge Notice (FCN) process was introduced as a replacement of the old 'on the spot' fine system along with Penalty Points. The Fixed Charge Processing System (FCPS) was developed by An Garda Síochána to enable computerised, automated processing of FCNs and to assist in the management of the penalty points system. The process applied to the then penalty point offences, certain parking and other offences under the Road Traffic Acts. One of the key objectives of the fixed charge notice system is to contribute to safer driving and reduced road traffic collision casualties.

Since 2002, the system has been expanded to include offences related to the main collision causation factors, such as seatbelt wearing, speeding and intoxicant related offences, as part of a number of road safety strategies. Since their introduction an increased level of compliance by road users have been recorded and thereby contributing to a reduction in road fatalities.

Since 2008, Public Order offences (Intoxication in a Public Place and Disorderly Conduct in a Public Place) can also be dealt with by FCN.

Fixed charges for defective tyres and pedal cycle offences have also been included since 2015.

Currently FCPS caters for 614 FCN offences which are grouped into 40 groups for internal administration purposes. 39 categories relate to road traffic offences and 1 category relates to public order offences.

The current legislation for the FCN process allows for the payment of the fixed charge within 28 days of issue of the notice. If payment is not made in this period, an increased charge may be paid within a further 28-day period. (*Payment of the fixed penalty in relation to drink driving offences is restricted to one period of 28 days at the original amount*).

These payments are collected on behalf of An Garda Síochána by An Post. The payments received are used to offset the costs of the outsourced speed cameras contracts. In the event that the income from FCNs exceeds the costs of the contracts the excess is returned to the Exchequer.

If payment of the FCN is not made within the allowable period, court proceedings are initiated by way of summons application. Any fines arising from the court proceedings are not received by An Garda Síochána.

There is also a third payment option (FCN3) that may be considered by a person before the unpaid FCN proceeds to court by way of summons.

The fixed charge amount on the FCN3 will be double that on the FCN1, and may be paid not later than 7 days before the date of the Court on which the charge is to be heard (Third Payment

Option). It should be noted however that the third payment option, FCN3 does not apply to public order offences.

2. Right of Appeal

In the event that you are not happy with this decision you may seek an Internal Review of the matter by writing to the address below and quoting reference number **FOI-000308-2018**.

You should submit your request for an Internal Review within 4 weeks from the date of this notification. The review will involve a complete reconsideration of the matter by a more senior member of An Garda Síochána and the decision will be communicated to you within 3 weeks. The making of a late appeal may be permitted in appropriate circumstances.
