Re: Freedom of Information Request FOI-000258-2019 Request Part-Grant

Dear

I refer to your request, dated and received on 25th June, 2019 which you have made under the Freedom of Information Act 2014 (FOI Act) for records held by An Garda Síochána.

Part 1(n) of Schedule 1 of the FOI Act states that An Garda Síochána is listed as a partially included agency "insofar as it relates to administrative records relating to human resources, or finance or procurement matters". Therefore, only administrative records that relate to human resources, finance or procurement shall be considered.

Your request sought:

A monthly breakdown of the cost of Garda overtime from January 1st 2016 to May 31st 2019. (figure for each month).

The annual budget allocated for Garda overtime for 2016, 2017, 2018, 2019.

I wish to inform you that I have decided to part-grant your request on the 17th July, 2019.

The purpose of this letter is to explain that decision.

1. Findings, particulars and reasons for decision

I wish to advise that I am refusing the first part of your request wherein you seek the 'A monthly breakdown of the cost of Garda overtime from January 1st 2016 to May 31st 2019. (figure for each month)' on administrative grounds in accordance with section 15(1)(d) of the FOI Act as the information is already in the public domain.

Section 15(1)(d) of the FOI Act states:

Refusal on administrative grounds to grant FOI requests

15. (1) A head to whom an FOI request is made may refuse to grant the request where—

(d) the information is already in the public domain,

The overtime expenditure for An Garda Síochána is provided by the Finance Directorate and is published on an annual basis, broken down per Quarter and Garda Division and is available by following the link below to the Freedom of Information Publication Scheme on the Garda website:

<https://www.garda.ie/en/Information-Centre/Freedom-of-Information/Publication-Scheme/Budgets-and-spending/Overtime-Reports.html>

Figures are available for 2016 and up to and including Quarter 1 of 2019.

Furthermore, I am refusing to provide figures for Garda overtime expenditure for Quarter 2, 2019 as the figures are currently being prepared for publication. In this regard, I am refusing your request for figures pertaining to Garda overtime expenditure for Quarter 2, 2019 on administrative grounds in accordance with section 15(1)(f) of the FOI Act which states:

Refusal on administrative grounds to grant FOI requests

15. (1) A head to whom an FOI request is made may refuse to grant the request where—

(f) the FOI body intends to publish the record and such publication is intended to be effect not later than 6 weeks after the receipt of the request by the head,

An Garda Síochána intends to publish the figures for quarter 2 of 2019 on the Publication Scheme section of the Garda Síochána website at www.garda.ie within the next 6 weeks and will be available to view after that timeframe.

In respect of Part 2 of your request, details were provided to the Finance Directorate within An Garda Síochána who have briefed this Office in respect of same. The table below outlines the “annual budget allocated for Garda overtime for 2016, 2017, 2018, 2019”.

Annual Budget Allocated for Overtime	
Year	Amount
2016	€78,700,000
2017	€88,511,000
2018	€98,511,000
2019	€95,011,000

The nature of Garda work and the requirement that the Garda authorities respond, in some cases at short notice, to immediate policing demands means that there is a necessity to incur overtime expenses to ensure effective policing. Accordingly, there will always be a need for a certain level of overtime to allow An Garda Síochána flexibility when responding to circumstances that require additional resources for specific operations. These additional resources will have to be over and above those available from Gardaí on rostered duty thus ensuring the continuation of normal policing duties unabated.

In addition, police led operations can require the deployment of extra resources on overtime. This includes the implementation of anti-crime and anti-burglary initiatives. Similarly, non-crime related events and events organised by interest groups within the general public can require overtime to police effectively as additional Gardaí may need to be deployed to ensure public safety.
