Re: Freedom of Information Request FOI-000385-2019 Request Part Grant

Dear

I refer to your request, dated and received on 27th September, 2019 which you have made under the Freedom of Information Act 2014 (FOI Act) for records held by An Garda Síochána.

Part 1(n) of Schedule 1 of the FOI Act states that An Garda Síochána is listed as a partially included agency "insofar as it relates to administrative records relating to human resources, or finance or procurement matters". Therefore, only administrative records that relate to human resources, finance or procurement shall be considered.

Your request sought:

The costs associated with hiring translators for interviews, etc for the first six months of this year; please if possible can you supply a breakdown of the costs based on what the language required to be translated.

The costs associated with hiring translators for interviews, etc for each of the years 2014, 2015, 2016, 2017, 2018; please if possible can you supply a breakdown of the costs based on what the language required to be translated.

I wish to inform you that I have decided to part grant your request on 22nd October 2016.

The purpose of this letter is to explain my decision.

1. Findings, particulars and reasons for decisions.

Details of your request were provided to the Finance Section of An Garda Síochána to identify records held in relation to the costs associated with hiring translators. An expenditure report was generated from the Financial Management System for the requested years. The table below shows the financial

figure for translation services which includes services such as written translations, person to person translations, telephone interpretation services and sign language.

Cost of Translation Services from 2014 to 30th June 2019

Year	Cost
2014	€ 1,696,010.00
2015	€ 1,509,315.00
2016	€ 1,804,445.00
2017	€ 1,858,145.00
2018	€ 2,512,273.00
2019	€ 521,697.00

There are records held relating to translation costs and each record held may or may not identify the specific translation type conducted which incurred the cost. Each record held would have to be checked manually to identify the type of service provided and the languages involved. However in some cases the records do not necessarily have this level of detail recorded and so it is not possible to identify the languages involved from the records. As a result the information gathered would be incomplete even if all records were researched individually. Therefore there is no overall single record, which has the information you seek, held within An Garda Síochána Finance Section.

Therefore, a breakdown of the Languages and cost associated with each language translated does not exist. Subsequently, I am refusing this part of your request in accordance with Section 15(1)(a) of the FOI act which states:

Section 15 – Refusal on administrative grounds to grant FOI requests

15. (1) A head to whom an FOI request is made may refuse to grant the request where

(a) the record concerned does not exist or cannot be found after all reasonable steps to ascertain its whereabouts have been taken,

2. Right of appeal
