Re: Freedom of Information Request FOI-000411-2023 Request Part-Granted

Dear

I refer to your request, dated and received on **28th November, 2023** which you have made under the Freedom of Information Act 2014 (FOI Act) for records held by An Garda Síochána.

Part 1(n) of Schedule 1 of the FOI Act states that An Garda Síochána is listed as a partially included agency "*insofar as it relates to administrative records relating to human resources, or finance or procurement matters*". Therefore, only administrative records that relate to human resources, finance or procurement shall be considered.

Your request sought:

I wish to make a FOI request under the Freedom of Information Act 2014. Under section 7 of this act, I would like access to the records held by An Garda Síochána.

- Records containing details of all Travel and Subsistence paid to Members of the Garda Representative Association and the Association Garda Sergeant Inspectors from January 2020 to October 2023.*
- Detailing the Date, number of attendees, subsistence paid for each meeting location of each meeting, mileage claimed for each meeting and total amount paid to each attendee.*
- Subvention payments made to following Garda Benevolent Trust Fund, Garda Retired Members Association, St Pauls Garda Medical Aid, Garda Representative Association, the Association Garda Sergeant Inspectors, Superintendents Association and Chief Superintendents Association from January 2020 to October 2023.*

I wish to inform you that I have decided to part grant your request on the 19th December 2023. The purpose of this letter is to explain my decision.

1

1. Findings, particulars and reasons for decisions.

Upon receipt, details of your request were forwarded to the relevant section of An Garda Síochána where a search was carried out to identify the records sought in your request.

In respect of part one of your request, I can advise that the total cost of Travel & Subsistence paid to members of the Garda Representative Association and the Association of Garda Sergeants & Inspectors, for attendance at GRA and AGSI meetings and the total number of claims paid are as follows:

Year	Total Number of Claims	Total Amount Paid €
2020	390	85,241
2021	180	42,342
2022	163	30,098
2023	187	73,174

Details of the payments made are contained in the attached records. In accordance with the provisions of the FOI Act, I have made a number of redactions to the records. Where it appears in the narrative of the header description, the location from where the claiming member travelled, is redacted. The release of this information along with other information available in the public domain would serve to make the identity of the member in question known.

While the FOI Act provides for a right of access to records held by public bodies, the Act requires that this right must be balanced against the right to privacy enjoyed by third parties about whom a public body holds information. Under the FOI Act, records are released without any restriction as to how they may be used and thus, release under the FOI Act, is in effect regarded as being a release to the world at large. As a result, I am conscious of my obligations to retain personal information in a confidential and secure manner and prevent personal information from being released in to the public domain unnecessarily. Personal information is defined in the Act as:

2. (1) *In this Act—*
“personal information” means information about an identifiable individual that, either—
- (a) would, in the ordinary course of events, be known only to the individual or members of the family, or friends, of the individual, or
 - (b) is held by an FOI body on the understanding that it would be treated by that body as confidential,
- and, without prejudice to the generality of the foregoing, includes –
- (ii) information relating to the financial affairs of the individual,

Section 37 of the Act requires that a public body shall not release records where access to that record would involve the disclosure of personal information concerning an identifiable individual. Section 37(1) states:

Section 37 - Personal Information

- 37 (1) *Subject to this section, a head shall refuse to grant an FOI request if, in the opinion of the head, access to the record concerned would involve the disclosure of personal information (including personal information relating to a deceased individual).*

I am satisfied that the provisions of Section 37(2), particularly Section 37(2)(c) do not apply in this case, as the particular information redacted is not of a kind that is generally available to the public. In addition, I see no evidence that the provisions of Section 37(5), namely that the public interest or the interest of the individuals in question would be best served by the release of the redacted information.

Public Interest Test

As per section 37 of the FOI Act I have considered the public interest issues which arise in this case and have taken account of the following factors in favour of release:

- Ensuring openness and transparency of organisational functions to the greatest possible extent,
- The public interest in members of the public exercising their rights under the FOI Act,
- That there is more than just a transitory interest by the public in this information,
- The right to privacy is outweighed by the needs of the public.

In considering the public interest factors which favour withholding the records I have taken account of the following:

- Allowing a public body to hold personal information without undue access by members of the public,
- The public interest is not best served by releasing these records,
- That the Organisation can conduct its business in a confidential manner,
- That there is a reasonable and implied expectation by service providers that personal information will remain confidential,
- That there is no overriding public interest that outweighs the individual's right to privacy.

A public interest test was carried out when considering the release of the personal information but having balanced the factors both for and against the release, I decided that the public interest in preserving the personal information and the reasonable expectation that information can be maintained in a confidential manner by An Garda Síochána outweighs the public interest which would be served were the records released to you.

I am refusing part two of your request. I can advise that the specific information sought, namely the “*Date, number of attendees, subsistence paid for each meeting location of each meeting, mileage claimed for each meeting and total amount paid to each attendee*” is not available from the Garda Financial Management System. Therefore I am refusing this part of your request as the records sought do not exist. I am doing so in accordance with Section 15(1)(a) of the FOI Act wherein:

Refusal on administrative grounds to grant FOI requests:

- 15(1) A head to whom an FOI request is made may refuse to grant the request where*
(a) the record concerned does not exist or cannot be found after all reasonable steps to ascertain its whereabouts have been taken,

Part three of your request seeks details of subvention payments made by An Garda Síochána. The payments made in the period in question are as follows:

	2020	2021	2022
Garda Representative Association	€126,070	€115,478	€106,336
Association of Garda Sergeants & Inspectors	€61,837	€53,096	€30,370
St Paul's Medical Aid Society	€124,000	€124,000	€124,000
Association of Chief Superintendents	€58,000	€58,000	€58,000
Association of Garda Superintendents	€58,000	€58,000	€58,000
Garda Síochána Retired Members Association	€15,000	€0	€0
Garda Benevolent Trust Funs	€0	€0	€0
