Re: Freedom of Information Request FOI-000539-2017 Request Refused

Dear

I refer to your request, dated and received on 8th December, 2017 which you have made under the Freedom of Information Act 2014 (FOI Act) for records held by An Garda Síochána.

Part 1(n) of Schedule 1 of the FOI Act states that An Garda Síochána is listed as a partially included agency “*insofar as it relates to administrative records relating to human resources, or finance or procurement matters*”. Therefore, only administrative records that relate to human resources, finance or procurement shall be considered.

Your request sought:

I am writing in regard of my master thesis in which I am analysing the effects of odometer manipulation on the European second hand car market. In order to estimate the possible number of manipulated cars on the market, I need statistical data of criminal complaints because of tampered odometers in each country of the European Union.

Therefore, I would appreciate, if you can answer following questions:

- 1) How many people reported an offence because of manipulated odometers in Ireland? (in the years 2016, 2015)*
- 2) Which car classification was affected the most? (type of car, age of car)*
- 3) How much was the damage caused by the tampered odometers? (manipulated amount of milage)*

I wish to inform you that I have decided to refuse your request on the 11th December, 2017.

The purpose of this letter is to explain my decision.

1. Findings, particulars and reasons for decision

Section 6(2)(a) of the FOI Act provides that an entity specified in Schedule 1, Part 1 of the Act shall, subject to the provisions of that Part, be a public body for the purposes of the FOI Act. Schedule 1, Part 1 contains details of bodies that are partially included for the purposes of the FOI Act and also details of the certain specified records that are excluded. If the records sought come within the description of the exclusions of Part 1, then the FOI Act does not apply and no right of access exists.

Part 1(n) of Schedule 1 of the FOI Act provides that An Garda Síochána is not a public body for the purposes of the FOI Act other than in relation to administrative records relating to human resources, or finance or procurement matters.

The term “administrative records” is understood to mean records relating to the processes of running and managing a business or organisation. As a result the FOI Act excludes operational policing business as opposed to the defined administrative processes of An Garda Síochána.

The records that you sought relate to operational policing matters carried out by An Garda Síochána, as opposed to administrative matters relating to human resources, or finance or procurement.

I am therefore refusing your request as it falls outside the scope of the FOI Act insofar as the records do not meet the criteria of administrative records as defined in the Act.

However, in respect of your request, you may wish to contact the Central Statistics Office (CSO) at the address and contact number below:
