Re: Freedom of Information Request FOI-000137-2016 Granted

Dear

I refer to the Freedom of Information Act 2014 and your submission to An Garda Síochána dated and received on 11th April 2016.

Part 1(n) of Schedule 1 of the Freedom of Information Act 2014 states that An Garda Síochána is listed as a partially included agency “*insofar as it relates to administrative records relating to human resources, or finance or procurement matters*”. Therefore, only administrative records that relate to human resources, finance or procurement shall be considered.

Your request is shown below:-

The application is for the number of dogs and horses related to the garda mounted unit and garda dog unit since January 1, 2010 until present.

I wish to inform you that your request has been **granted**.

The purpose of this letter is to explain that decision.

1. Findings, particulars and reasons for decision

The Garda Mounted and Garda Dog Units have a national remit and fall under the direction and control of Assistant Commissioner, National Support Services.

The Garda Mounted Unit currently comprises of thirteen (14) horses and is based at Áras an Uachtaráin, Phoenix Park, Dublin 8.

The main functions of the Garda Mounted Unit include:

- Crime Prevention and detection patrols – supporting mainstream policing
- Searches for missing persons over rough terrain that is inaccessible to vehicles

- Community policing including school and community project visits
- Major event policing e.g. matches, concerts and festivals
- Public order and crowd control

The Garda Dog Unit are based at Kilmainham Garda Station, Dublin and also at Cork and Limerick. There are currently twenty one (21) dogs attached to the Unit comprising of general purpose (GP), drugs, firearms and explosives detection dogs.

The main focus of the unit is responding to requests for assistance with various searches, however, all handlers perform routine patrols and respond to incidents either witnessed or received from Command & Control. The Unit plays an important role in supporting and assisting Operational Units and National specialist Units in the prevention and detection of crime. The Dog Unit responds to requests ranging from public order issues to specialised searches.

Garda general purpose dogs assist in searches for suspects of crimes and for evidence which may have been discarded. The dogs are also trained to work in support of handlers at major public order disturbances, crowd segregation, and general foot patrol duties. GP dogs are also utilised in searches for missing persons. Specialist search dogs are trained to locate controlled drugs, firearms, and explosive substances.

Your request sought access to records of the numbers of dogs and horses attached to these units January 1st 2010 to date broken down by year. I advise that the number of animals in each unit can vary in the course of a year due to retirements and acquisitions. Therefore the table below provides the strength of the units as of the 31st December in each of the requested years up to 2015 and the figures as of 1st April 2016.

| Date | Number of Dogs: Garda Dog Unit | Number of Horses: Garda Mounted Unit |
|-------------------|---|---|
| 31/12/2010 | 26 | 12 |
| 31/12/2011 | 26 | 14 |
| 31/12/2012 | 26 | 14 |
| 31/12/2013 | 26 | 14 |
| 31/12/2014 | 25 | 13 |
| 31/12/2015 | 24 | 14 |
