Re: Freedom of Information Request FOI-000192-2016 Transfer of Request

Dear

I refer to the Freedom of Information Act 2014 (FOI Act) and your submission to An Garda Síochána dated and received on the 12th May, 2016.

Your request is shown below:

- *The total number of road collisions involving cyclists in 2015*
- *The total number of cyclists injured on Irish roads in 2015*
- *The total number of cyclists killed on Irish roads in 2015*

In the case of each of the three queries above, can you please provide a detailed break down of:

- *The number of collisions/injuries/deaths in each county*
- *The gender of cyclists involved in each collision/injury/death in each county*
- *The ages of cyclists involved in each collision/injury/death in each county*
- *Location of each collision/injury/death in each county*
- *Nature of each collision/injury/death in each county*

Part 1(n) of Schedule 1 of the FOI Act states that An Garda Síochána is listed as a partially included agency “insofar as it relates to administrative records relating to human resources, or finance or procurement matters”. Therefore, only administrative records that relate to human resources, finance or procurement shall be considered.

As the records you have sought do not relate to human resources, finance or procurement I advise that your request is outside the scope of the FOI Act insofar as it pertains to An Garda Síochána.

However, under Section 8 of the Road Safety Authority Act, 2006 the Road Safety Authority have the statutory responsibility for the collection compilation and publication of information and statistics in relation to road safety and road use.

In that regard I am transferring your request to the Freedom of Information Officer at the Road Safety Authority who can be contacted at the address below:

Freedom of Information Officer,
Road Safety Authority,
Moy Valley Business Park,
Primrose Hill,
Ballina, Co. Mayo.

or by email to foi@rsa.ie.
