Re: Freedom of Information Request FOI-000062-2019
Request Part-Granted

Dear,

I refer to your request, dated and received on 5th February, 2019 which you have made under the Freedom of Information Act 2014 (FOI Act) for records held by An Garda Síochána.

Part 1(n) of Schedule 1 of the FOI Act states that An Garda Síochána is listed as a partially included agency “insofar as it relates to administrative records relating to human resources, or finance or procurement matters”. Therefore, only administrative records that relate to human resources, finance or procurement shall be considered.

Your request sought:

Further to the internal E.O. Competition (2018) in An Garda Síochána and in accordance with Section 12 of the Freedom of Information Act I request access to records which are Non-Personal.

I request the following records from the inception of the competition to date:
• All written correspondence between HR & PAS/Union Reps.
• All electronic correspondence (emails etc.) between HR & PAS/Union Reps.
• All written records of phone calls/meetings relating to the competition.
• Any other records relating to this competition.

The foregoing includes records relating to the now defunct assessment of 11/12/18.

I wish to inform you that I have decided to part-grant your request on 4th March, 2019.

The purpose of this letter is to explain my decision.
1. Findings, particulars and reasons for decision

Upon receipt, your request was forwarded to the Competitions Section of Human Resource Management and records were identified in this regard. Having reviewed these records, I am now to advise that a number of redactions have been applied in accordance with the FOI Act and the reasons for these redactions are outlined in my correspondence below. A Schedule of Records outlining the redactions is also herewith provided. Please be advised I have decided not to provide you with a hard copy of the redacted records and only un-redacted records will be released in this instance. This is to avoid the provision of a significant number of blacked out pages.

The sections of the FOI Act which deny access to information are known as its exemptions.

In respect to your request, I am to advise you that I am refusing the redacted records in accordance with Section 30 (1)(a) and (b) which states the following:

Functions and Negotiations

Section 30

30(1) A head may refuse to grant an FOI request is access to the record concerned could, in the opinion of the head, reasonably be expected to –

(a) Prejudice the effectiveness of tests, examinations, investigations, inquiries or audits conducted by or on behalf of an FOI body or the procedures or methods employed for the conduct thereof;

(b) Have a significant, adverse effect on the performance by an FOI body of any of its functions relating to management (including industrial relations and management of its staff)

The Human Resource Management Section have advised this office that this competition is still ongoing. The release of a record under the FOI Act is understood, effectively to be equivalent to its release to the world at large. In this regard, it would be remiss of this office to release records which could reasonably be expected to prejudice the effectiveness of the examination process and the discussions surrounding this with the Public Appointments Service and the Union Representatives. While it is acknowledged that the examination step of this competition has been completed, the records which have been redacted contain correspondence and details of discussions between Garda Management, staff from the Public Appointments Service and the Union Representatives. These records refer to the examination process both in advance and post examination. By releasing this information would disclose the process of the evaluation of the examination and the effectiveness of the procedures employed for their conduct.

It is also argued that the interview process, which has yet to commence, could well be compromised as at least one candidate would have an unfair advantage over other candidates not only in advance of the interviewing stage of the process, but for further campaigns.

Section 30(1)(b) refers to significant, adverse effect on the performance by an FOI body of any of its functions relating to management (including industrial relations and management of its staff). As outlined above, a significant number of the records reviewed contain correspondence and details of discussions between Garda Management and the Union Representatives. The information contained in the records refers to the planning and management of this particular internal competition. Both parties engaged in discussions and the sharing of insights and information on the basis that these discussions were being carried...
out in confidence. There is a reasonable expectation that management can engage confidentially with Union representatives in relation to the processes involved in establishing an internal competition and by releasing this information could adversely impact on Garda Management's ability to carry out its functions in relation to same.

**Harm Test**

Section 30 requires the following Harm Test to be carried out as part of the decision making process. A disclosure of the methodology and investigative techniques used by An Garda Síochána in the planning of the Internal EO competition will put future competitors at a disadvantage by prejudicing the effectiveness of these methods. The redacted records contain information that would be of assistance to individuals in future competitions allowing them to be in a more advantageous position than an individual who has not received sight of the records.

The release of management discussions surrounding this competition would be prejudicial to the competition process by reducing the effectiveness of future processes. Thus the harm caused is the impairment of current and future competitions caused by forewarning potential applicants as to the examination process for all future competitions.

Section 30(2) was considered with regard to the overall public interest being better served by the release of certain information as detailed above. However, on balance, the preservation of tests, with regard to marking systems, will better serve the public by ensuring a more competitive tendering process.

In addition to Section 30, I am also applying Section 29 of the FOI Act. The records sought by you are part of a deliberative process that is ongoing within the Organisation and as such will form an integral part of any outcome that is yet to be decided upon. Section 29 of the Freedom of Information Act 2014 refers as follows:

**Section 29 - Deliberations of FOI bodies**

29(1) A head may refuse to grant an FOI request –

(a) if the record concerned contains matter relating to the deliberative processes of an FOI body (including opinions, advice, recommendations, and the results of consultations, considered by the body, the head of the body, or a member of the body or of the staff of the body for the purpose of these processes, and

(a) the granting of the request would, in the opinion of the head, be contrary to the public interest,

and, without prejudice to the generality of paragraph (b), the head shall, in determining whether to grant or refuse to grant the request, consider whether the grant thereof would be contrary to the public interest by reason of the fact that the requester concerned would thereby become aware of a significant decision that the body proposes to make.

**Public Interest Test**

As per Section 29 of the FOI Act, I have considered the public interest issues which arise in this case and have taken account of the following factors in favour of release:

- Ensuring openness and transparency of organisational functions to the greatest possible extent,
- The public interest in members of the public exercising their rights under the FOI Act
• Ensuring fairness of procedures and that decisions are fair and equitable and evenly applied,

In considering the public interest factors which favour withholding the records I have taken account of the following:

• Allowing a public body to make its decisions without undue intrusion into the process,
• The public interest is not best served by releasing these records,
• Premature release could negatively affect future decision making processes.
• Premature release could contaminate the decision making process.

A public interest test was carried out when considering the release of the records but, having balanced the factors both for and against the release, I have, on balance, decided that the public interest in preserving the integrity of the decision making process would be better served by withholding the records.

Therefore, in accordance with the requirements of section 29(1)(a) and 29(1)(b) of the Freedom of Information Act 2014 I am refusing to provide the records as outlined in the attached schedule of records.

Under the FOI Act, records are released without any restriction as to how they may be used and thus, release under the FOI Act, is in effect, regarded as being released to the world at large. As a result, I am conscious of my obligations to retain personal information in a confidential and secure manner and prevent personal information from being released in to the public domain unnecessarily. Section 2 of the FOI Act defines personal information as follows:

2.(1) In this Act—
"personal information" means information about an identifiable individual that, either—

(a) would, in the ordinary course of events, be known only to the individual or members of the family, or friends, of the individual, or

(b) is held by an FOI body on the understanding that it would be treated by that body as confidential,

Section 37 – Personal Information
Section 37(1) provides that a public body shall refuse to grant a request if access to the record concerned would involve the disclosure of personal information. Furthermore, Section 37(7) provides that a public body shall refuse to grant a request if access to the record concerned would involve the disclosure of personal information relating to an individual or individuals other than the requester.

I am satisfied that parts of certain records relate to a third party, as well as information relating to other individuals who are named in the records. As such, I am satisfied that the records consist of the personal information of these third parties. Accordingly, I find that Section 37(1) and (7) of the Act applies to the records at issue.

Section 37(1) and (7) of the FOI Act are as follows:
37(1) Subject to this section, a head shall refuse to grant an FOI request if, in the opinion of
the head, access to the record concerned would involve the disclosure of personal
information (including personal information relating to a deceased individual)

(7) Notwithstanding paragraph (a) of subsection (2), a head shall, subject to paragraphs
(b) to (e) of that subsection and subsections (5) and (8), refuse to grant an FOI request
if, in the opinion of the head, access to the record concerned would, in addition to
involving the disclosure of personal information relating to the requester, also involve
the disclosure of personal information relating to an individual or individuals other
than the requester.

As per section 37 of the FOI Act, I have considered the public interest issues which arise in
this case and have taken account of the following factors in favour of release:

- Ensuring openness and transparency of organisational functions to the greatest
  possible extent,
- The public interest in members of the public exercising their rights under the FOI Act,
- That there is more than just a transitory interest by the public in this information,
- The right to privacy is outweighed by the needs of the public.

In considering the public interest factors which favour withholding the records, I have taken
account of the following:

- Allowing a public body to hold personal information without undue access by
  members of the public,
- The public interest is not best served by releasing these records,
- That the Organisation can conduct its business in a confidential manner,
- That there is a reasonable and implied expectation that sensitive personal
  information will remain confidential,
- That there is no overriding public interest that outweighs the individual's right to
  privacy.

A public interest test was carried out when considering the release of the personal information
but having balanced the factors both for and against the release, I decided that the public
interest in preserving the personal information and the reasonable expectation that information
be maintained in a confidential manner by An Garda Síochána outweighs the public interest
which would be served were the records released to you.

Re: Internal Competition for promotion to Executive Officer in An Garda Síochána.

1. An internal competition is being conducted to select staff to fill Executive Officer positions which arise at EO level, in accordance with nationally agreed sequences. The closing date for receipt of completed applications is 3pm on Thursday 15th November, 2018. Notes in relation to the promotion process are included in Appendix A, the Office Notice attached to this Directive.

2. Locations where positions as Executive Officer may arise are listed in Appendix B. It is also intended to fill positions as PEM’s Officers (Property Exhibition Management System) and PAF Administrators (Performance and Accountability Framework Process) from this competition.

3. Intending applicants should clearly understand that promotions from this competition are expected to cease two years from the establishment of the initial panel. A new competition will be held for subsequent internal appointments.

Divisional Officers/Unit Heads will ensure that all qualified candidates are notified accordingly, including those on leave.

Garda staff who wish to participate in this competition will be facilitated with the time required.

4. An Garda Síochána has requested the Public Appointments Service to manage the application and selection stages of this competition. For details on the Application and Selection Process, please see Appendix B.
5. Eligibility

The eligibility requirements for this competition reflect those set out in General Council Agreed Report 1526 in respect of new promotion arrangements to apply in the Civil Service. Available by clicking the link below:

https://hr.per.gov.ie/wp-content/uploads/2011/12/Letter-to-Personnel-Officers-Jan-

Eligible and prospective candidates must on or before the closing date of 15th November, 2018:

a) be serving in an established or non-established capacity in An Garda Síochána,

and

b) have completed not less than two years’ service or an aggregate of two years service in the Civil/Public Service. In this context credit is given for work-sharing on the same basis as full time service.

Please note that Temporary Clerical Officers are eligible to compete, if they have two years or more service in the Civil Service, either continuously or in aggregate.

7. Where an officer was acting or serving on a Fixed-Term contract and was subsequently appointed in a substantive capacity, eligibility may be based on the aggregate service, e.g. six months in an acting capacity or on contract and eighteen months in a substantive capacity, can be aggregated to give two years’ service. For the purpose of deciding eligibility, officers must be serving on the closing date of 15th November, 2018.

6. The Promotion Assessment Form for the rank of Executive Officer will be completed in respect of each candidate who successfully completes the first stage of the selection process.

Candidates should note that health and sick leave records are not verified until an applicant comes under consideration for assignment. In considering an applicant’s suitability for appointment in terms of health and sick leave, the Board will have regard to Department of the Public Expenditure and Reform Circular 06/2014.

8. Officers on special leave with pay may apply if otherwise eligible. Officers on career-break may apply if their career-break conforms to the terms of Department of Finance Circular 18/98 and if they are otherwise eligible. Periods of special leave without pay should not be considered to break continuity of service for this purpose.

9. Officers on probation are not eligible to compete except where they would have been eligible had they remained in their previous grade.

Applicants should note that the probationary period for officers who have re-joined the Civil Service, and who, in a previous period of service in the Civil Service have satisfactorily completed probation, is a minimum of one year. It should also be noted that maternity leave and service of job sharers can be reckonable service for the purpose of promotion.

Officers on secondment to another Government Department may also be eligible to apply.

Any officer on a panel which is set up from this competition, and who subsequently
terminates his/her employment with An Garda Síochána for whatever reason, including transfer or promotion to another Department, will not retain an entitlement to assignment/promotion from this competition.

10. Successful candidates will only be offered an appointment if they are serving civil servants at the time of offer.

11. The time limits indicated in this Directive will be strictly adhered to.

An Garda Síochána will take all necessary precautions to ensure the security of your data. Such information held is subject to the rights and obligations as required under the above Acts.

Office Notice
Vacancy for Executive Officer in An Garda Síochána

Title of Position: Executive Officer

Locations: Please see Appendix B, Section 3

Role of Executive Officer:

The Executive Officer (EO) role is a junior managerial position. The EO, who generally reports to the Higher Executive Officer, is responsible for managing their own work, and for managing Clerical Officer's within their unit. Besides being involved with progressing and planning the work of the unit, the EO participates in a wide range of activities such as research, drafting proposals and policy documents, and dealing with relatively complex requests from the public.

In An Garda Síochána, Executive Officers can be responsible for the administration of the PAF and PEMS Systems. Duties in each of these roles include:

Performance and Accountability Framework Process, (PAF):

- Coordinate and manage the Performance and Accountability Framework process.
- Monitor and advise on the overall accountability function of the District Officer in respect of PAF meetings, incident management, compliance with Garda policy, PULSB integrity, inspections and risk management and other functions
- Ensure each member and their respective Nominated Supervisor in the District is updated on the PULSE Garda Personnel records as directed by the District Officer.
- Attend daily/weekly/monthly District PAF meetings and after each meeting, update PULSE incidents as directed by the District Officer.
- Enter actions for completion, notes and any changes in Investigating Member/Nominated Supervisor on PULSB as directed by the District Officer.
- As directed by the District Officer, Approve/Reject recommendations from Nominated Supervisors on PULSE.

Property Exhibition Management System, (PEMS), Store Manager:

- Store items collected or seized as evidence or obtained as property, lost or stolen.
- Account for all items of property.
- Ensure PEMS policies and procedures are followed within required time frames.
- Ensure that all property is retrieved, as required.

The competencies to be considered for a general service Executive Officer can be found at the end of this HQ Directive.
Appointments:

Panels will be established, as required, from which appointments will be made. In the event that a successful candidate refuses an appointment to a post in a nominated location, no further offer will be made to that candidate in respect of that location. Any further offers to that candidate will be in respect of a second nominated location only. For the purposes of this competition all offices in Dublin are considered part of the same location.

In order to facilitate the efficient filling of posts, candidates will be expected to respond to an offer of promotion, once contact has been established, within three working days. Failure to respond within that timeframe, will be considered a refusal.

Promotions from this competition will require a written commitment from successful candidates to take the position of Executive Officer in the relevant office and serve in that location for a minimum period of 2 years. All panels will expire 2 years from the establishment of the initial panel, unless otherwise extended, or when it has been exhausted, whichever is sooner. Candidates not promoted at the expiry of the panel will have no claim to promotion thereafter because of having been on the panel.

1. Application Process

Practical Matters
Eligible Officers, who wish to be considered for promotion, may make application by following the instructions below:

Applications can only be made online. To apply, please copy the link below to your email account or into an internet browser and click into it. This links to the advert on the Public Appointments Service website, within which you click on 'Apply Now'.

- To apply, candidates must have a “User Account” on www.publicjobs.ie. If you have not already done so, you must register as a ‘New User’ to create your Profile (register a New Account).

- If you cannot remember your profile details, please do not create a second profile as this could invalidate your application.

- Candidates should not confuse registering (Creating a Profile) with submitting an application. Once you have created a Profile you must then access the application form, complete and submit it.

- Candidates must use their own valid email address. Email addresses from third parties will not be accepted and may invalidate your application. PAS will only communicate application information with the candidate and not with any third party.

- Username and Password
  It is important that you keep note of your username and password as you will need this information to access your PublicjobsMessageboard.

- It is strongly recommended that you do not change your email address or mobile phone number in the course of this recruitment campaign, as any email/text message notification will be sent to the email address/telephone number originally supplied by you.

- PublicjobsMessageboard
  Interaction with candidates during the selection process will primarily be conducted online. PAS will send most communication through your PublicjobsMessageboard. Check your Messageboard on a regular basis as email notifications of updates/tests issued to your Messageboard may sometimes be filtered into your Junk/Spam email folders (or ‘Promotions’ in the case of Gmail). You are also advised to check all these folders regularly.

- If invited to tests and/or interview, the onus is on each applicant to make themselves available on the date(s) specified by the PAS.

The PAS accepts no responsibility for communication not accessed or received by an applicant. They must ensure that they regularly check their Messageboard and access all communications from the PAS.
You must complete the application form in full and click the submit button. Once you have submitted your application form you should return to your publicjobs account and confirm that it has been successfully submitted via ‘My Applications’.

At this point you should consider adding publicjobs.ie to your safe senders or contact list within your email account to avoid not receiving emails because a publicjobs email has been blocked.

Only fully completed and submitted applications will be accepted into the competition. The admission of a person to the competition, or invitation to undertake any element of the selection process is not to be taken as implying that the PAS or An Garda Síochána is satisfied that such a person fulfills the requirements.

Only one application per person is permitted.

Closing Date
The closing date for receipt of completed applications is not later than 3pm, on Thursday 15th November 2018.

If you do not receive an acknowledgement of receipt of your application within two working days of applying, please email EOGarda@publicjobs.ie. Candidates should note that support will be available during office hours until the closing date.

2. Selection Process

The selection process for this competition will comprise a number of elements. These may include one or more of the following:

- Tests (which will be conducted online);
- Interview(s);
- Any other tests or exercises that may be deemed appropriate.

Applicants must successfully compete and be placed highest, in order to be considered for advancement to the next stage of the multi-stage selection process. The number to be invited forward at each stage will be determined from time to time having regard to the posts to be filled. More detailed information will be made available to the relevant candidates if they are invited to progress through the selection process.

Successful candidates will be placed on a panel(s) from which future vacancies may be filled.

Candidates with Disabilities
Candidates who indicate on their application form or profile that they would like to avail of reasonable accommodations are asked to submit a psychologists/medical report. The purpose of the report is to provide information to act as a basis for determining reasonable accommodations where appropriate.

These reports must be forwarded for the attention of Liam Sinclair, at EOGarda@publicjobs.ie or by post to Liam Sinclair, Public Appointments Service, Chapter House, 26-30 Abbey Street Upper, Dublin 1 by the closing date.

If you have recently applied for any campaign with the Public Appointments Service then your report may be on file, please contact Liam at the email address above to confirm.
Stage 1: Online Assessment

To facilitate candidates' availability and circumstances, Stage 1 of the selection process will be conducted online and will be remotely proctored via web cam.

What is Remote Proctoring? Remote Proctoring (or supervision) re-creates the exam-hall experience online, through using a pc or laptop, web cam, audio and screen share technologies. When undertaking a test candidates are connected to a 'Live' supervisor in real time over the internet, who oversees their test.

A short video explaining how remote invigilation works can be viewed at the following link: Remote Invigilation

Garda staff who wish to participate in this competition will be facilitated with the time required.

Please Note:
You are advised not to sit the test at public locations such as schools, universities, work places and libraries as the network firewall at these places may block your connection or may cause you technical difficulties, which will prevent you from sitting the test. The test should be taken in a room that is free from distractions, noise and prohibited materials and is of a suitable temperature with adequate lighting and ventilation.

Further information regarding the Test Room requirements will be provided to candidates in advance of the tests.

System Requirements
PC or Laptop
Intel Core i3 (or equivalent and 4GB RAM)
A working webcam
A working microphone and speakers
Good, continuous internet speed of 516kbps or higher
We also recommend a screen size of at least 13 inches and a resolution of 1024 x 768

The onus is on you to ensure that you have full internet access and a webcam to complete the assessments.
3. **Locations**

While the majority of vacancies arising will be in Dublin, some will arise in other locations. On the application form candidates may select up to a maximum of two locations.

You must only select locations where you are prepared to work, if offered an appointment. Once you have submitted your location choice(s), changes will not be permitted.

If you are offered a position (whether you accept or not) you will, in the normal course, no longer be considered for any other position in that location. Assignment to a position will automatically eliminate you from being considered for positions in your other selected location.

Copies of the relevant Circulars mentioned above are available at www.circular.gov.ie.

Posts will be offered in sequence to those candidates who finish highest in the overall order of merit drawn up following the interviews, i.e. the highest ranking candidates will, in turn, be offered a post. Offers will be limited to one per location, and a maximum of two locations, as nominated.

The Commission for Public Service Appointments (C.P.S.A) Code of Practice Appointment to Positions in the Civil Service and Public Service applies to this competition and is available to view at www.cpsa.ie and the Garda Portal. The C.P.S.A. Code of Practice outlines responsibility of candidates and the procedures whereby a candidate may seek a review regarding a decision taken in relation to his/her application or in relation to allegations of a breach of the Code of Practice.

HQ Directive No:
D34/28/8

Re: Internal Competition for promotion to Executive Officer in An Garda Síochána.

1. An internal competition is being conducted to select staff to fill Executive Officer positions which arise at EO level, in accordance with nationally agreed sequences. The closing date for receipt of completed applications is 3pm on Thursday 15th November, 2018.

2. Locations where positions as Executive Officer may arise are listed in Appendix B. It is also intended to fill positions as PEM’s Officers (Property Exhibition Management System) and PAF Administrators (Performance and Accountability Framework Process), from this competition.

3. Intending applicants should clearly understand that promotions from this competition are expected to cease two years from the establishment of the initial panel. A new competition will be held for subsequent internal appointments.

Divisional Officers/Unit Heads will ensure that all qualified candidates are notified accordingly, including those on leave.

Garda staff who wish to participate in this competition will be facilitated with the time required.

4. An Garda Síochána has requested the Public Appointments Service to manage the application and selection stages of this competition. For details on the Application and Selection Process, please see Appendix B.

20

Seachtbhiad go mbéadh an chruthacht a choilíthe ar a chuid oifigigh a chaitheann na dhánaíochtaí agus cuireann an cruthacht tábhachtach ar a dhánaíochtaí.

To deliver professional policing and security services with the trust, confidence and support of the people we serve.
5. Eligibility

The eligibility requirements for this competition reflect those set out in General Council Agreed Report 1526 in respect of new promotion arrangements to apply in the Civil Service. Available by clicking the link below:

Eligible and prospective candidates must on or before the closing date of 15th November, 2018:

a) be serving in an established or non-established capacity in An Garda Síochána,

and

b) have completed not less than two years’ service or an aggregate of two years service in the Civil/Public Service. In this context credit is given for work-sharing on the same basis as full time service.

Please note that Temporary Clerical Officers are eligible to compete, if they have two years or more service in the Civil Service, either continuously or in aggregate.

7. Where an officer was acting or serving on a Fixed-Term contract and was subsequently appointed in a substantive capacity, eligibility may be based on the aggregate service, e.g. six months in an acting capacity or on contract and eighteen months in a substantive capacity, can be aggregated to give two years’ service. For the purpose of deciding eligibility, officers must be serving on the closing date of 15th November, 2018.

6. The Promotion Assessment Form for the rank of Executive Officer will be completed in respect of each candidate who successfully completes the first stage of the selection process.

Candidates should note that health and sick leave records are not verified until an applicant comes under consideration for assignment. In considering an applicant’s suitability for appointment in terms of health and sick leave, the Board will have regard to Department of the Public Expenditure and Reform Circular 06/2014.

8. Officers on special leave with pay may apply if otherwise eligible. Officers on career-break may apply if their career-break conforms to the terms of Department of Finance Circular 18/98 and if they are otherwise eligible. Periods of special leave without pay should not be considered to break continuity of service for this purpose.

9. Officers on probation are not eligible to compete except where they would have been eligible had they remained in their previous grade.

Applicants should note that the probationary period for officers who have re-joined the Civil Service, and who, in a previous period of service in the Civil Service have satisfactorily completed probation, is a minimum of one year. It should also be noted that maternity leave and service of job sharers can be reckoned service for the purpose of promotion.

Officers on secondment to another Government Department may also be eligible to apply.

Any officer on a panel which is set up from this competition, and who subsequently
terminates his/her employment with An Garda Síochána for whatever reason, including transfer or promotion to another Department, will not retain an entitlement to assignment/promotion from this competition.

10. Successful candidates will only be offered an appointment if they are serving civil servants at the time of offer.

11. The time limits indicated in this Directive will be strictly adhered to.

An Garda Síochána will take all necessary precautions to ensure the security of your data. Such information held is subject to the rights and obligations as required under the above Acts.

Office Notice
Vacancy for Executive Officer in An Garda Síochána

Title of Position: Executive Officer

Locations: Please see Appendix B, Section 3

Role of Executive Officer:

The Executive Officer (EO) role is a junior managerial position. The EO, who generally reports to the Higher Executive Officer, is responsible for managing their own work, and for managing Clerical Officer's within their unit. Besides being involved with progressing and planning the work of the unit, the EO participates in a wide range of activities such as research, drafting proposals and policy documents, and dealing with relatively complex requests from the public.

In An Garda Síochána, Executive Officers can be responsible for the administration of the PAF and PEMS Systems. Duties in each of these roles include:

- Coordinate and manage the Performance and Accountability Framework process.
- Monitor and advise on the overall accountability function of the District Officer in respect of PAF meetings, incident management, compliance with Garda policy, PULSE integrity, inspections and risk management and other functions.
- Ensure each member and their respective Nominated Supervisor in the District is updated on the PULSE Garda Personnel records as directed by the District Officer.
- Attend daily/weekly/monthly District PAF meetings and after each meeting, update PULSE incidents as directed by the District Officer.
- Enter actions for completion, notes and any changes in Investigating Member/Nominated Supervisor on PULSE as directed by the District Officer.
- As directed by the District Officer, Approve/Reject recommendations from Nominated Supervisors on PULSE.

Property Exhibition Management System, (PEMS), Store Manager

- Store items collected or seized as evidence or obtained as property, lost or stolen.
- Account for all items of property.
- Ensure PEMS policies and procedures are followed within required time frames.
- Ensure that all property is retrieved, as required.

The competencies to be considered for a general service Executive Officer can be found at the end of this HQ Directive.
Appointments:

Panels will be established, as required, from which appointments will be made. In the event that a successful candidate refuses an appointment to a post in a nominated location, no further offer will be made to that candidate in respect of that location. Any further offers to that candidate will be in respect of a second nominated location only. For the purposes of this competition all offices in Dublin are considered part of the same location.

In order to facilitate the efficient filling of posts, candidates will be expected to respond to an offer of promotion, once contact has been established, within three working days. Failure to respond within that timeframe, will be considered a refusal.

Promotions from this competition will require a written commitment from successful candidates to take the position of Executive Officer in the relevant office and serve in that location for a minimum period of 2 years. All panels will expire 2 years from the establishment of the initial panel, unless otherwise extended, or when it has been exhausted, whichever is sooner. Candidates not promoted at the expiry of the panel will have no claim to promotion thereafter because of having been on the panel.

1. Application Process

Practical Matters
Eligible Officers, who wish to be considered for promotion, may make application by following the instructions below:

Applications can only be made online. To apply, please copy the link below to your email account or into an internet browser and click into it. This links to the advert on the Public Appointments Service website, within which you click on ‘Apply Now’.

- To apply, candidates must have a “User Account” on www.publicjobs.ie. If you have not already done so, you must register as a ‘New User’ to create your Profile (register a New Account).

- If you cannot remember your profile details, please do not create a second profile as this could invalidate your application.

- Candidates should not confuse registering (Creating a Profile) with submitting an application. Once you have created a Profile you must then access the application form, complete and submit it.

- Candidates must use their own valid email address. Email addresses from third parties will not be accepted and may invalidate your application. PAS will only communicate application information with the candidate and not with any third party.

- Username and Password
It is important that you keep note of your username and password as you will need this information to access your PublicjobsMessageboard.

- It is strongly recommended that you do not change your email address or mobile phone number in the course of this recruitment campaign, as any email/text message notification will be sent to the email address/telephone number originally supplied by you.

- PublicjobsMessageboard
Interaction with candidates during the selection process will primarily be conducted online. PAS will send most communication through your PublicjobsMessageboard. Check your Messageboard on a regular basis as email notifications of updates/tests issued to your Messageboard may sometimes be filtered into your Junk/Spam email folders (or ‘Promotions’ in the case of Gmail). You are also advised to check all these folders regularly.

- If invited to tests and/or interview, the onus is on each applicant to make themselves available on the date(s) specified by the PAS.

The PAS accepts no responsibility for communication not accessed or received by an applicant. They must ensure that they regularly check their Messageboard and access all communications from the PAS.
You must complete the application form in full. Once you have completed your form you should return to your publicjobs account and follow the instructions outlined.

When your online Application Form has been submitted confirm that it has been successfully submitted via 'My Applications'.

At this point you should consider adding publicjobs.ie to your safe senders or contact list within your email account to avoid not receiving emails because a publicjobs email has been blocked.

Only fully completed and submitted applications will be accepted into the competition. The admission of a person to the competition, or invitation to undertake any element of the selection process is not to be taken as implying that the PAS or An Garda Síochána is satisfied that such a person fulfils the requirements.

Only one application per person is permitted.

Closing Date
The closing date for receipt of completed applications is not later than 3pm, on Thursday 15th November 2018.

If you do not receive an acknowledgement of receipt of your application within two working days of applying, please email EOGarda@publicjobs.ie. Candidates should note that support will be available during office hours until the closing date.

2. Selection Process

The selection process for this competition will comprise a number of elements. These may include one or more of the following:

- Tests (which will be conducted online);
- Interview(s);
- any other tests or exercises that may be deemed appropriate.

Applicants must successfully compete and be placed highest, in order to be considered for advancement to the next stage of the multi-stage selection process. The number to be invited forward at each stage will be determined from time to time having regard to the posts to be filled. More detailed information will be made available to the relevant candidates if they are invited to progress through the selection process.

Successful candidates will be placed on a panel(s) from which future vacancies may be filled.

Candidates with Disabilities
Candidates who indicate on their application form or profile that they would like to avail of reasonable accommodations are asked to submit a psychologists/medical report. The purpose of the report is to provide information to act as a basis for determining reasonable accommodations where appropriate.

These reports must be forwarded for the attention of Liam Sinclair, at EOGarda@publicjobs.ie or by post to Liam Sinclair, Public Appointments Service, Chapter House, 26-30 Abbey Street Upper, Dublin 1 by the closing date.
If you have recently applied for any campaign with the Public Appointments Service then your report may be on file, please contact Liam at the email address above to confirm.

Stage 1: On-line Assessment
To facilitate candidates’ availability and circumstances, Stage 1 of the selection process will be conducted online and will be remotely proctored via web cam.

What is Remote Proctoring? Remote Proctoring (or supervision) re-creates the exam-hall experience online, through using a pc or laptop, webcam, audio and screen share technologies. When undertaking a test candidates are connected to a ‘Live’ supervisor in real time over the internet, who oversees their test.

A short video explaining how remote invigilation works can be viewed at the following link: 
Remote Invigilation

Garda staff who wish to participate in this competition will be facilitated with the time required.

Please Note:
You are advised not to sit the test at public locations such as schools, universities, work places and libraries as the network firewall at these places may block your connection or may cause you technical difficulties, which will prevent you from sitting the test. The test should be taken in a room that is free from distractions, noise and prohibited materials and is of a suitable temperature with adequate lighting and ventilation.

Further information regarding the Test Room requirements will be provided to candidates in advance of the tests.

System Requirements:
PC or Laptop
Intel Core i3 (or equivalent and 4GB Ram)
A working webcam
A working microphone and speakers
Good, continuous Internet speed of 516kbps or higher
We also recommend a screen size of at least 13 inches and a resolution of 1024 x 768

The onus is on you to ensure that you have full internet access and a webcam to complete the assessments.
3. **Locations**

While the majority of vacancies arising will be in Dublin, some will arise in other locations. On the application form candidates may select up to a maximum of two locations.

You must only select locations where you are prepared to work, if offered an appointment. Once you have submitted your location choice(s), changes will not be permitted.

If you are offered a position (whether you accept or not) you will, in the normal course, no longer be considered for any other position in that location. Assignment to a position will automatically eliminate you from being considered for positions in your other selected location.

Copies of the relevant Circulars mentioned above are available at www.circulare.gov.ie.

Posts will be offered in sequence to those candidates who finish highest in the overall order of merit drawn up following the interviews, i.e. the highest ranking candidates will, in turn, be offered a post. Offers will be limited to one per location, and a maximum of two locations, as nominated.

The Commission for Public Service Appointments (C.P.S.A.) Code of Practice Appointment to Positions in the Civil Service and Public Service applies to this competition and is available to view at www.opsa.ie and the Garda Portal. The C.P.S.A. Code of Practice outlines responsibility of candidates and the procedures whereby a candidate may seek a review regarding a decision taken in relation to his/her application or in relation to allegations of a breach of the Code of Practice.

At least 10 days before the test date, candidates will receive additional communication which will be sent to their PublicJobs Message Board. This will include information on how they must register/book their tests in advance; can check that their computer equipment is working correctly; and try some test practice material to help understand what to do during the tests.

In order to facilitate candidates, the organisation (AGS) is permitting .5 (half day, in the a.m.) business-leave on 11th December to those taking the actual tests.

To staff who have submitted an Application for the Internal Competition for Promotion to Executive Officer in An Garda Síochána, HQ Dir. 55/2018:

Colleagues,

Thank you to all those who applied for this competition.

As you will be aware, the first stage of the selection process will involve taking tests on-line. These tests are scheduled to take place on the morning of Tuesday, 11th December, 2018. Tests will be proctored remotely i.e. candidates will be connected to a ‘Live’ supervisor who oversees their test session in real time, over the internet via the webcam on their computer/laptop.

In advance of the actual tests, applicants are required to make their own personal test-taking arrangements i.e. location and equipment necessary, including technology and internet access. To assist you in preparing further details and specifications are set out in the attached document. Please note that the technology required is standard of most PCs/laptops.

At least 10 days before the test date, candidates will receive additional communication which will be sent to their publicjobs Message Board. This will include information on how they must register/book their tests in advance; can check that their computer equipment is working correctly; and try some test practice material to help understand what to do during the tests.

In order to facilitate candidates, the organisation (AGS) is permitting .5 (a half day, in the a.m.) business-leave, (half day business credit for those who are on shift work), on 11th December to those taking the actual tests.

Internal competition for promotion to

Executive Officer in An Garda Síochána

Requirements for taking the Remotely Proctored on-line tests

Remote Proctoring (or supervision) re-creates the exam-hall experience online, through using a PC or laptop, with web cam, audio and screen share technologies. When undertaking a test candidates are connected to a 'Live' supervisor who oversees their test session in real-time, over the Internet.

Selecting your test-taking location

You may take the tests in a venue/location of your choice, wherever you have access to a computer, web cam, audio and a reliable Internet connection.

As the test will require your full concentration, you must ensure that you take the test in a quiet controlled environment where there are no distractions and where you will not be disturbed.

Please be aware that taking these tests within a secure IT network e.g. such as your work or college network which may have firewalls or other security technology in place, may cause you technical difficulties. In such instances, An Garda Síochána, the Public Appointments Service (or any company or service provider operating on their behalf) will not be liable.

Systems Requirement Checklist

Applicants intending to take the tests for this competition must arrange to have the following:

- PC or Laptop
- Intel Core i3 (or equivalent and 4GB RAM)
- A working webcam
- A working microphone and speakers
- Good continuous internet speed of 512kpbs or higher
- A screen size of at least 13 inches and a resolution of 1024 X 768 is recommended.

Operating System

- Microsoft Windows XP SP2 and above; or
- Mac OS X (Intel) 10.8 and above

- Internet Explorer Version 8 and above
- Safari (V6 on OSX) (V6 on Windows) and above
- Chrome (V20 on Windows) and above

NOTE: Applicants are responsible for making their own arrangements in relation to equipment and the location of their tests. These must be in compliance with the specifications set out. Hi Teresa can you send the email below on my behalf this afternoon I will call you now:D

Colleagues

In the first instance I wish to sincerely apologise to those of you who applied for the internal EO competition and who experienced difficulties with the testing yesterday.

When we set out to run this competition we looked at a number of options including effectiveness, efficiency for the organisation and for each of our employees seeking the promotional opportunities this campaign promises.

Yesterday technology let us down in a most unfortunate way. I wish to acknowledge the feedback through phone calls, conversations and emails I and my team, Catherine, Teresa, Eavan and Emma have received. The upset and frustration you experienced is completely understood.

I have just come from meeting with the CEO of PAS Shirley Comerford and her team who are most concerned to address the situation that occurred yesterday with testing.

In order to assess the situation fully PAS are awaiting a comprehensive update and a meeting is imminent with the testing provider to assess the situation.

Until we have the full information we cannot make decisions, I am emailing you to let you know that this matter has our full attention and I wish to assure you that at the earliest opportunity I will let you know what the plan will be to remediate the problems that a number of you encountered yesterday.

I hope to have a further update in days. The opportunities remain and I will be in touch as soon as possible.

Kind regards

Denise

Re: Additional Information on the Internal Competition for promotion to Executive Officer in An Garda Síochána, (previous HQ Dir. 55/2018)

1. The Public Appointments Service have advised that the Stage 1 assessment tests taken by candidates on 11 December, 2018 cannot be considered further, due to technical difficulties experienced on the day. Consequently, this competition is re-advertised and is open again to all eligible applicants. The closing date for receipt of completed applications is 3pm on Wednesday 9th January, 2019.

The link to the Application Form will be live from Wednesday 2nd January, 2019 to 3pm on Wednesday, 9th January, 2019 and applications will only be accepted during this time.

Please note: If you are already an applicant in this competition, you should not re-apply as you are already included in the pool of applicants.

2. The internal competition for promotion to Executive Officer; (EO), is being conducted to select suitably qualified staff to fill existing EO vacancies, and these will be filled in accordance with nationally agreed sequences. As appropriate, roles at PEMS’s Officer, (Property Exhibition Management System) and PAF Administrator (Performance and Accountability Framework Process) levels, may also be filled from this panel. Locations where positions as EO may arise, are listed in Appendix B.

Notes: in relation to the promotion process are included in Appendix A.

3. Intending applicants should clearly understand that promotions from this competition are expected to cease two years from the establishment of the initial panel.
Divisional Officers/Unit Heads will ensure that all qualified candidates are notified accordingly, including those on leave.

4. An Garda Síochána has requested the Public Appointments Service to manage the application and selection stages of this competition. For details on the Application and Selection Process, please see Appendix B.

5. Eligibility
The eligibility requirements for this competition reflect those set out in General Council Agreed Report 1326 in respect of new promotion arrangements to apply in the Civil Service. Available by clicking the link here.

Eligible and prospective candidates must, on or before the closing date of 9th January, 2019;

a) be serving in an established or non-established capacity in An Garda Síochána,

and

b) have completed not less than two years’ service or an aggregate of two years service in the Civil Service. In this context credit is given for work-sharing on the same basis as full time service.

Please note that Temporary Clerical Officers are eligible to compete, if they have two years or more service in the Civil Service, either continuously or in aggregate.

6. Where an officer was acting or serving on a Fixed-Term contract and was subsequently appointed in a substantive capacity, eligibility may be based on the aggregate service, e.g. six months in an acting capacity or on contract and eighteen months in a substantive capacity, can be aggregated to give two years’ service. For the purpose of deciding eligibility, officers must be serving on the closing date of 9th January, 2019.

7. The Promotion Assessment Form for the rank of Executive Officer will be completed in respect of each candidate who successfully completes the first stage of the selection process.

Candidates should note that health and sick leave records are not verified until an applicant comes under consideration for assignment. In considering an applicant’s suitability for appointment in terms of health and sick leave, HR will have regard to the Department of Public Expenditure and Reform Circular 06/2014.

8. Officers on special leave with pay may apply if otherwise eligible. Officers on career-break may apply if their career-break conforms to the terms of Department of Finance Circular 18/98 and if they are otherwise eligible. Periods of special leave without pay should not be considered to break continuity of service for this purpose.

9. Officers on probation are not eligible to compete except where they would have been eligible had they remained in their previous grade. It should also be noted that maternity leave and service of job sharers can be reckonable service for the purpose of promotion.

Officers on secondment to another Government Department may also be eligible to apply:

Any officer on a panel which is set up from this competition, and who subsequently terminates his/her employment with An Garda Síochána for whatever reason, including transfer or promotion to another Department, will not retain an entitlement to assignment/promotion from this competition.
10. Successful candidates will only be offered an appointment if they are serving civil servants in An Garda Síochána at the time of offer.

11. The time limits indicated in this Directive will be strictly adhered to.

Office Notice
Vacancy for Executive Officer in An Garda Síochána

Title of Position: Executive Officer

Locations: Please see Appendix B, Section 3

Role of Executive Officer:

The Executive Officer (EO) role is a junior managerial position. The EO, who generally reports to the Higher Executive Officer, is responsible for managing their own work, and for managing Clerical Officer’s within their unit. Besides being involved with progressing and planning the work of the unit, the EO participates in a wide range of activities such as research, drafting proposals and policy documents, and dealing with relatively complex requests from the public.

In An Garda Síochána, Executive Officers can be responsible for the administration of the Performance and Accountability Framework process, (PAF) and Property Exhibition Management System (PEMS). Duties in each of these roles are set out on Page 9.

Appointments:

Panels will be established, as required, from which appointments will be made. In the event that a successful candidate refuses an appointment to a post in a nominated location, no further offer will be made to that candidate in respect of that location. Any further offers to that candidate will be in respect of a second nominated location only. For the purposes of this competition, all offices in Dublin are considered part of the same location.

In order to facilitate the efficient filling of posts, candidates will be expected to respond to an offer of promotion, once contact has been established, within three working days. Failure to respond within that timeframe, will be considered a refusal.

Promotions from this competition will require a written commitment from successful candidates to take the position of Executive Officer in the relevant office and serve in that location for a minimum period of 2 years. All panels will expire 2 years from the establishment of the initial panel, unless otherwise extended, or when it has been exhausted, whichever is sooner. Candidates not promoted at the expiry of the panel will have no claim to promotion thereafter because of having been on the panel.

Candidates should note that on promotion under this competition there are no relocation expenses paid.

Enquiries relating to this competition should be forwarded to Garda Staff Competitions Unit at hrpd.staffcompetitions@garda.ie or by phone to 046 9036377/63766375.

Check your Messageboard on a regular basis as email notifications of updates/tests issued to your Messageboard may sometimes be filtered into your Junk/Spam email folders (or ‘Promotions’ in the case of gmail). You are also advised to check all these folders regularly.

- If invited to tests and/or interview, the onus is on each applicant to make themselves available on the date(s) specified by the PAS.

The PAS accepts no responsibility for communication not accessed or received by an applicant. They must ensure that they regularly check their Messageboard and access all communications from the PAS.
You must complete the application form in full. Once you have completed your form you should return to your publicjobs account and follow the instructions outlined. When your online Application Form has been submitted confirm that it has been successfully submitted via ‘My Applications’.

At this point you should consider adding publicjobs.ie to your safe senders or contact list within your email account to avoid not receiving emails because a publicjobs email has been blocked.

Only fully completed and submitted applications will be accepted into the competition. The admission of a person to the competition, or invitation to undertake any element of the selection process is not to be taken as implying that the PAS or An Garda Síochána is satisfied that such a person fulfills the requirements.

Only one application per person is permitted.

Closing Date
The closing date for receipt of completed applications is not later than 3pm, on Thursday 15th November 2018.

If you do not receive an acknowledgement of receipt of your application within two working days of applying, please email EOGarda@publicjobs.ie. Candidates should note that support will be available during office hours until the closing date.

2. Selection Process

The selection process for this competition will comprise a number of elements. These may include one or more of the following:

- Tests (which will be conducted online);
- Interview(s);
- any other tests or exercises that may be deemed appropriate.

Applicants must successfully compete and be placed highest, in order to be considered for advancement to the next stage of the multi-stage selection process. The number to be invited forward at each stage will be determined from time to time having regard to the posts to be filled. More detailed information will be made available to the relevant candidates if they are invited to progress through the selection process.

Successful candidates will be placed on a panel(s) from which future vacancies may be filled.

Candidates with Disabilities
Candidates who indicate on their application form or profile that they would like to avail of reasonable accommodations are asked to submit a psychologists/medical report. The purpose of the report is to provide information to act as a basis for determining reasonable accommodations where appropriate.

These reports must be forwarded for the attention of Liam Sinclair, at EOGarda@publicjobs.ie or by post to Liam Sinclair, Public Appointments Service, Chapter House, 26-30 Abbey Street Upper, Dublin 1 by the closing date.
If you have recently applied for any campaign with the Public Appointments Service then your report may be on file, please contact Liam at the email address above to confirm.

Stage 1: On-line Assessment
To facilitate candidates' availability and circumstances, Stage 1 of the selection process will be conducted online and will be remotely proctored via web cam.

What is Remote Proctoring? Remote Proctoring (or supervision) re-creates the exam-hall experience online, through using a pc or laptop, web cam, audio and screen share technologies. When undertaking a test candidates are connected to a ‘Live’ supervisor in real time over the internet, who oversees their test.

A short video explaining how remote invigilation works can be viewed at the following link: Remote Invigilation

Garda staff who wish to participate in this competition will be facilitated with the time required.

Please Note:
You are advised not to sit the test at public locations such as schools, universities, work places and libraries as the network firewall at these places may block your connection or may cause you technical difficulties, which will prevent you from sitting the test. The test should be taken in a room that is free from distractions, noise and prohibited materials and is of a suitable temperature with adequate lighting and ventilation.

Further information regarding the Test Room requirements will be provided to candidates in advance of the tests.

System Requirements
PC or Laptop
Intel Core i3 (or equivalent and 4GB RAM)
A working webcam
A working microphone and speakers
Good, continuous internet speed of 516kbps or higher
We also recommend a screen size of at least 13 inches and a resolution of 1024 x 768

The onus is on you to ensure that you have full internet access and a webcam to complete the assessments.
3. Locations

While the majority of vacancies arising will be in Dublin, some will arise in other locations. On the application form candidates may select up to a maximum of two locations.

You must only select locations where you are prepared to work, if offered an appointment. Once you have submitted your location choice(s), changes will not be permitted.

If you are offered a position (whether you accept or not) you will, in the normal course, no longer be considered for any other position in that location. Assignment to a position will automatically eliminate you from being considered for positions in your other selected location.

Copies of the relevant Circulars mentioned above are available at www.circles.gov.ie.

Posts will be offered in sequence to those candidates who finish highest in the overall order of merit drawn up following the interviews, i.e. the highest ranking candidates will, in turn, be offered a post. Offers will be limited to one per location, and a maximum of two locations, as nominated.

The Commission for Public Service Appointments (C.P.S.A) Code of Practice Appointment to Positions in the Civil Service and Public Service applies to this competition and is available to view at www.cpsa.ie and the Garda Portal. The C.P.S.A. Code of Practice outlines responsibility of candidates and the procedures whereby a candidate may seek a review regarding a decision taken in relation to his/her application or in relation to allegations of a breach of the Code of Practice.

Good afternoon colleagues,

You will recall our discussion at the recent regional HEO meeting in respect of the internal EO competition and our commitment to encouraging all staff to participate. Foro have raised some queries in respect of the recently advertised EO competition please see below the 3 questions and my responses.

You will note that I have asked Foro to refer candidates with issues in applying for this competition to contact their regional HEO. What I am hoping you will be able to do is to work with candidates to find a solution that enables them to access the competition. If you are experiencing difficulties please contact Teresa Leavy, Teresa.Leavy@garda.ie

Thank you for your assistance

Kind regards

Monica

(1) In relation to the remote proctoring, not all Garda pc's have webcams and not all applicants will have access to a computer with a webcam or possibly some of the other system requirements. I assume alternative arrangements will be put in place for those applicants who don't have access to a webcam or a computer with the other system requirements?

Applicants are required to arrange access to a suitable computer in order to compete. Candidates are advised in the HQ Directive on P 9, not to sit the test at public locations such as schools, universities, work places and libraries as there maybe a network firewall. We are very keen to facilitate staff where we can, however it is up to each individual to make the necessary arrangements if they wish to apply for the competition. With this in mind can you advise the employees who have highlighted their difficulties to you that they should contact their regional HEO who will endeavour to assist.

(2) I'm informed that the link to the remote proctoring is blocked for Garda staff. Can this block be removed?

As this competition is being run in conjunction with the Public Appointments Service, the links can be accessed directly, as required, when accessed from a personal computer which will not be affected by a network firewall. If employees are still having difficulty they should raise it with their regional HEO.
(3) The circular states the hours of work for the post. I have already received a large number of questions about whether flexi time will be available. I assume flexi time will be available for the vast majority of posts, excluding those who are on a roster, unless the particular job to be filled requires a specific attendance arrangement.

*This is correct, flexi time will be available based on the business needs of the individual offices excluding those operating a roster.*
